EDUCATION & COURSEWORK

UC Berkeley - Management, Entrepreneurship, & Technology Program **Expected June 2029**
Dual Degree: B.S. Electrical Engineering & Computer Science/B.S. Business

Capistrano Valley High School, Mission Viejo, California **2021 - 2025**

- 4.83 Weighted GPA, 1550 SAT, International Baccalaureate Diploma, Valedictorian, AP Scholar With Distinction
- MUN Secretary General, Superintendent Advisor, Varsity Cross Country (Captain), Varsity Track (Captain), Varsity Swim
- Related Coursework: IB Math A&A HL, IB Physics SL, IB CS SL, AP CS A, AP CS Principles, AP Physics C, AP Physics, AP Stats

EXPERIENCE

Nelumbium Capital, Berkeley, California **Starting Sept. 2025**
Incoming Agentic Investment Strategies Researcher

Wells of Life, San Juan Capistrano, California **May 2024 - Aug. 2025**
Business Intern

- Partnered with senior leadership to drive fundraising strategy and corporate outreach, raising over $200,000 for sustainable water systems in rural Uganda through professional business presentations and outreach.
- Developed youth ambassador initiatives and coordinated large-scale outreach events such as the annual Run4Water 5k, engaging 1000+ community members across multiple campaigns and raising over $500,000 in total.

UCI COSMOS Research Program, Irvine, California **July 2023 – Aug. 2023**
Research Intern

- Engineered and evaluated predictive models—including LASSO logistic regression, neural networks, and random forests—in R to diagnose Alzheimer's, achieving up to 87.1% accuracy using high-dimensional memory-based features
- Delivered final research presentation to 20+ UCI faculty, contributing to the growing department-wide research on algorithmic predictions of early-onset Alzheimer's with NACC data.

LEADERSHIP & COMMUNITY IMPACT

FIRST Robotics Competition Team 5199, Mission Viejo, California **Aug. 2021 – May 2025**
FRC Programming and Business Lead (May 2022 - May 2025)

- Led programming of a comprehensive scouting software system used by 5 world championship qualifying teams through Python, Streamlit, and Google Cloud APIs, deployed across multiple regional competitions with real-time data collection
- Engineered predictive modeling algorithms for match outcome forecasting with a 91% accuracy, implementing machine learning pipelines that process live competition data, leading us to be 2x FRC World Champ Qualifiers
- Raised $150,000 per year by leading business funding through grant writing and large corporation sponsorship outreach

FTC Team Lead (Aug. 2021 - May 2022)

- Led school district's team of 20+ students to the regional championships through rapid prototyping and iterative design

City of Mission Viejo Board, Mission Viejo, California **Aug. 2023 – May 2025**
Advisory Board Leader

- Developed and managed year-round youth programs through collaboration with the city council and the mayor as a member of the city advisory board, reaching 2000+ pre-teens and increasing event participation by 150%.
- Implemented and planned large-scale events, STEAM showcases, youth volunteering programs, ASL learning workshops, averaging 400+ attendees of all ages.

AWARDS & ACHIEVEMENTS

- California Interscholastic Federation (CIF) Southern Section Male Scholar Athlete of the Year (2025)
- OCYSF Paul Salata Community Service Award (2025)
- CVHS Mathematics and Engineering Most Distinguished Student (2024)
- Medical Innovation Research and Entrepreneurship Program Regional Winner (Most innovative company/pitch) (2022)
