EXPERIENCE

Business Alliance Insurance Company — South San Francisco, CA
Accounting Intern — *May 2025 - August 2025*

- Initiated recovery efforts for $1.3M+ receivables by analyzing financial data across 150+ delinquent accounts.
- Refined payment schedule models with current data and utilized QuickBooks to prepare invoices and journal entries.
- Maintained detailed records and reports of receivable data on Excel, while upholding internal reporting policies.

De Anza College — Cupertino, CA
Accounting & Business Tutor — *September 2024 - June 2025*

- Led sessions with 10+ tutees weekly, breaking down complex accounting concepts across 4 distinct courses.
- Directed individual consultations to identify learning styles and tailor instruction, improving grades for most tutees.
- Recorded and analyzed data of student progress to highlight areas of improvement and enhance session efficiency.

De Anza Phi Beta Lambda - Future Business Leaders of America — Cupertino, CA
Vice President of Finance — *June 2024 - June 2025*

- Secured $7,000 in funding by researching 50+ companies and presenting sponsorship pitches driven by market data.
- Oversaw $25,000 event budgets with expense models and allocation decisions that balance competing priorities.
- Prepared annual and quarterly financial summaries to improve transparency and benchmark against historical data.

Self-Employed — Remote
Online Retailer — *August 2019 - September 2021*

- Launched “sj_grails” an Instagram page offering worn footwear, growing it to 2,000+ followers within the 1st year.
- Oversaw all operations, market research, sales, procurement, budgeting, and inventory management of 70+ shoes.
- Closed 550+ sales and grew revenue to $140k+ over 2 years with excellent customer service and pricing strategies.

AWARDS

1st Place - 2025 FBLA National Accounting Case Competition — June 2025

- Led a team to outperform 28 competitors in assessing project viability by preparing pro forma statements, analyzing cash flow data, restructuring capital, and building comparable company analysis models to derive valuations.

1st Place - 2025 FBLA State Foundations of Accounting Objective Test — March 2025

- Outscored 14 competitors on a 100-question timed exam, displaying mastery in accounting concepts under pressure.

1st Place - 2024 Fall FBLA State Finance Case Competition — November 2024

- Analyzed 11 capital investments using NPV, IRR, and payback years to craft a winning financial plan that balanced stakeholder goals and budget targets, demonstrating investment analysis skills and surpassing 15 competing teams.

1st Place - 2024 FBLA State Accounting Case Competition — April 2024

- Collaborated closely in a team to produce financial statements in Excel and present a detailed analysis for judges.
