PROFESSIONAL EXPERIENCE

Alistithmar Capital Riyadh, Saudi Arabia

Equity Research (buy-side) Intern June 2025 – August 2025

- Built 3+ DCF and scenario models for $10B+ market-cap public retail & consumer discretionary companies.
- Initiated coverage on a SaaS company, analyzing the industry, management, and peers to identify valuation disconnects.
- Created investment memos and presented buy/sell recommendations to the investment committee (CEO & PMs).
- Maintained forecast models and updated assumptions after earnings releases, guidance changes, and macro developments.

Asendia AI San Francisco, CA

Strategy & Growth Intern March 2025 – June 2025

- Conducted MENA market entry analysis (TAM/SAM/SOM, customer segmentation), contributing to 25% revenue growth.
- Built and monitored acquisition and cohort dashboards (CAC, retention, conversion), supporting growth to 105K+ users.
- Diagnosed funnel drop-offs via cohort analysis and implemented A/B testing roadmap; improved retention and LTV.
- Evaluated ROI of paid and influencer channels, shifting spend to higher-return segments, driving 35% conversion growth.

Khattit Site Riyadh, Saudi Arabia

Chief Executive Officer May 2024 – June 2025

- Founded and scaled a data-driven education platform to 15,000+ users and 1,200+ opportunities, achieving national reach.
- Led a 13-person cross-functional team to build the matching algorithm and execute product roadmap and growth strategy.
- Implemented behavioral analytics and cohort tracking, driving 5× MAU growth and improved retention metrics for users.
- Built partnerships pipeline with education and training providers to support monetization strategy and revenue growth.

LEADERSHIP & EXTRACURRICULARS

Treperstore Al-Ahssa, Saudi Arabia

Founder March 2022 – July 2023

- Founded and scaled an e-commerce startup to 300+ SKUs, managing supplier contracts and inventory economics.
- Generated $50K+ in revenue with 97% customer satisfaction, overseeing unit economics, cash flow, and acquisition costs.

KFUPM Research Institute Dhahran, Saudi Arabia

Research Intern & Project Manager July 2023 – May 2024

- Led research on a Ni-Cu-Co/Mg(Al) catalyst for hydrogen production from CO_2, improving efficiency and scalability.
- Supported technical and commercial negotiations with SABIC by preparing financial and operational analyses.
- Contributed to winning $3M catalyst implementation contract targeting 15–20% CO_2 reduction while sustaining revenues.

Middle Eastern Business Association (MEBA) Berkeley, CA

Marketing, Content Chair October 2024 – June 2025

- Built growth strategy for a 300+ member organization, increasing applicant volume and regional reach across MENA.
- Led data-driven engagement and budget allocation, boosting event participation by 300% and improving campaign ROI.
