Leadership & Finance Experience

Future Business Leaders of America (FBLA) | Business Outreach Manager & Treasurer
August 2022 – 2026

- **Expanded Chapter Scale:** Spearheaded outreach strategies that boosted chapter membership by 120% (expanding to 125+ active members); designed and deployed chapter-wide pulse surveys to optimize event programming.
- **Capital Generation:** Oversaw a SNAP! Raise campaign that generated $7,000+ in capital to fund state/national trips and chapter operations; organized a community food drive raising $1,000+ for local shelters.
- **Competitive Success:** Placed 1st in Business Management (Regionals 2024), 2nd in Intro to Business Communication (Regionals 2024), 2nd in PSA (Regionals 2025), and reached Top 10 Finalist in Partnership with Business (States 2025).

DECA | Vice President of Finance | August 2022 – 2026

- **Corporate Valuation & DEI Research:** Partnered with Capital One and Bank of America leadership to construct the proprietary DIVE and AIMS strategic frameworks. Analyzed SEC filings and internal survey datasets via advanced Excel modeling to quantify financial returns on corporate inclusion initiatives.
- **Revenue Generation:** Raised $2,000+ by directing logistics, marketing, and sales tracking for a chapter fundraiser.
- **National Recognition:** Qualified for ICDC twice, placing Top 20 globally (2024) and Top 21 globally (2025) in Financial Operations Research; secured 1st Place at the State Leadership Conference (2024).

Investment Club | Co-Founder & President | August 2023 – 2026

- **Algorithmic Portfolio Management:** Developed a Fama-French 5-Factor quantitative valuation model in Python/Excel integrating machine learning to calculate daily Cost of Equity, WACC, and DCF intrinsic values for Wharton Investment Competition stock selection.
- **Organizational Leadership:** Scaled membership to 45+ active investors; created and taught a financial modeling and valuation curriculum to prepare teams for the Wharton and Ithaca Investment Competitions.

Research & Entrepreneurship

Independent Financial Economics Research | Student Researcher

June 2025 – 2026

- **Quantitative Behavioral Modeling:** Mentored by a Georgetown/MIT Sloan professor; analyzing NFCS and MIT Election Lab datasets to model how financial literacy, median income, and political affiliation jointly predict financial risk tolerance.
- **Econometric Frameworks:** Executed multi-variable regression analyses and Pearson correlation metrics in Excel while applying Tversky & Kahneman's Prospect Theory to map economic decision-making across election cycles.

Young Entrepreneur Academy / FinTech Startup | Intern & Founder
August 2025 – 2026

- **FinTech Product Development:** Mentored by a Managing Director at Northwestern Mutual to design a cross-border financial literacy app targeting language and banking barriers for immigrant communities.
- **Corporate Engagement:** Pitched early-stage financial models and product roadmaps to regional venture leads, franchise owners, and corporate executives (e.g., AWS, Topgolf, Northwestern Mutual).

Volunteering & Extracurriculars

- **Rock Ridge Marching Band (2022 - 2026):** Section Leader & Fundraising Manager; directed logistics for Tag Day events, generating $13,000+ in operational funding while managing live technical mixing operations.
- **Community Leadership & Varsity Athletics (2022 - 2026):** WINGS/PEER Mentor (guided 20+ underclassmen); Varsity Swim Team (2022–2026); Science Olympiad (2022–2026); Policy Debate; Odisha Society of the Americas Member.
