Current Education:

University of California, Berkeley, B.A. in Applied Mathematics
August 2025 - June 2029 (Projected)

- Member of Mathematics Undergraduate Student Association at Berkeley
- Intending to double major in applied math and economics

Skills:

Python, R, Java, LaTeX, calculus, physics, linear algebra, GitHub, Microsoft Visual Studio, public speaking, leadership, teamwork & organization, community service

Relevant Experience and Accomplishments:

Student Researcher at California State University Fresno, August 2023-January 2025

- Research on a family of polynomials and its generating function
- Used LaTeX, Desmos, and other tools to aid in research
- Presented at 2025 Joint Mathematics Meetings & 2024 CSU Fresno Department of Mathematics Day

American Invitational Mathematics Exam Qualifier

- Qualified for AIME 2023, 2024, & 2025
- Less than 10% of students who take the American Mathematics Contest qualify
- Advanced mathematics knowledge and problem-solving skills

Rochester Institute of Technology Science & Math Award Winner

- Single recipient out of hundreds of other students in my high school class
- Awarded by teachers for my superior grades in science and math classes & interest in applying math elsewhere
- Recipient of $76,000 scholarship to RIT conditional upon acceptance

Publications:

Goswami, A., & Tran, K. (2025). A Class of Polynomials From Enumerating Queen Paths. The PUMP Journal of Undergraduate Research, 8, 242–257. https://doi.org/10.46787/pump.v8i.5183

Previous Education:

Saratoga High School: CEEB code: 053343
Total GPA: 4.4717 (weighted), 4.0000 (unweighted)

Previous Relevant Coursework: AP Computer Science A, AP Calculus BC, AP Statistics, AP Chemistry, AP Physics 1, AP Physics 2, AP Physics C: Mechanics, AP Physics C: Electricity and Magnetism

Past Community College Courses: Math 012: Applied Calculus (West Valley Community College), Math 04A: Intermediate Calculus (West Valley Community College), Math 04B: Differential Equations (West Valley Community College), Math 04C: Linear Algebra (West Valley Community College), CS M10R (Moorpark Community College)

Varsity Public Forum Debater on the National Circuit, August 2021-June 2025

- Ranked 2nd nationally out of thousands of competitors by the National Symposium for Debate
- Placed 3rd out of 235 teams at UC Berkeley Invitational Debate Tournament
- Prolific public speaking, research, and concise writing skills
