WORK EXPERIENCE

Frizzle (YC S25) Apr 2026 – Aug 2026 | New York, NY
Product & Growth Intern
- Identified 2 product improvements by analyzing user activity and feedback data, one of which drove a 10%+ increase in engagement
- Benchmarked 25+ competing startups on product positioning, pricing, and growth strategy to surface actionable gaps for the team
- Designed and A/B tested 3 landing-page and outreach experiments, using conversion data to guide acquisition strategy

Bytelearn AI Mar 2024 – Jun 2024 | San Francisco, CA
Business Development Intern
- Evaluated pricing, features, and positioning of 12 competitors across 4 customer segments to inform go-to-market strategy
- Sourced and qualified 30+ prospective client leads, building pipeline for the business development team
- Built 5+ competitor and partnership analyses and presented them to senior staff to support expansion decisions

LEADERSHIP EXPERIENCE

Project Codara Oct 2023 – Jul 2026 | Irvine, CA
Executive Director
- Directed a global education program reaching 1,800+ students across 8 countries through workshops, bootcamps, and events
- Oversaw a 50-person team across curriculum, outreach, and operations that delivered student resources and a monthly industry speaker series
- Established 15+ partnerships with schools and community organizations to expand program reach and visibility

Virtual Medical Missions Dec 2024 – May 2026 | Los Angeles, CA
Vice President of Finance
- Managed a $10K+ annual operating budget for a telemedicine nonprofit across clinical, technology, outreach, and administrative needs
- Led a 10-person finance team overseeing expense tracking, reimbursement, and financial reporting
- Launched fundraising campaigns and partnership outreach that secured $2,500+ in additional funding for telehealth programs and clinics

RESEARCH EXPERIENCE

Dartmouth College May 2025 – Oct 2025 | Hanover, NH
Research Assistant — Angami Translation Benchmark: Low-Resource Language Inclusion for a Naga Language
- Curated a dataset of 50,000+ words of Angami-language text to benchmark large language model translation performance for a low-resource Naga language
- Fine-tuned and evaluated model output against the benchmark, improving translation accuracy by 18% over baseline

California Baptist University Apr 2024 – Sep 2024 | Riverside, CA
Research Assistant — Bridging the Digital Divide: The Economic Impact of Early Tech Education on Underserved Communities
- Examined the relationship between early tech-education access and long-term economic outcomes in underserved communities
- Published as first author alongside Professor McConnell-Freeman, presenting findings to the Inland Empire Business Club
