University of California at Berkeley **Aug 2025 - present**

WORK EXPERIENCE

Cultural Marketing & Product Development Lead **Sept 2023 - present**
– Wei Taohua Horsetail Embroidery Co., Guizhou (China)
Wei Taohua, a top cultural enterprise in Guizhou, revitalizing Sui Horsetail Embroidery for global markets.

- Co-founded online venture digitizing traditional crafts; scaled monthly revenue 5x (¥5k → ¥25k+) through product-market fit and direct-to-consumer strategies.
- Built database of 150+ designs; designed and trained 120+ artisans on digital tools, enhancing efficiency and enabling replication at scale.
- Partnered with factories to co-develop a heat-transfer machine reducing design time from hours to seconds, improving artisan health and throughput.
- Directed storytelling-driven campaigns, growing community to 30k+ followers and boosting sales by 30%, proving market demand for cultural sustainability.

Strategy & Marketing Intern – Code Mint, Shanghai (China) **Feb 2023 – June 2023**
Code Mint, a celebrity-founded clean beauty brand by Grace Chow, targeting China's Gen Z consumers.

- Benchmarked global players (e.g., Fenty Beauty's Super Bowl campaign), analyzing ROI and positioning for Gen Z market entry.
- Proposed localized go-to-market venture strategy for China, including livestreamed product drops, KOL seeding, and community-driven launches.

EXTRACURRICULAR ACHIEVEMENTS

Startup Founder – Diamond Challenge (Business Innovation Track)| Semifinalist **2024**

- Pitched venture model to scale Sui embroidery via digitalization and global e-commerce.
- Led a cross-functional team of 4 in business planning, product prototyping, and market testing.
- Recognized for cultural sustainability + social enterprise impact among 600+ global teams.

Co-Host & Liaison **Oct 2024 - May 2025**
– Sino-French Cultural Week & Sponsored Events

- Led a 10+ member school outreach team, coordinating with the French Embassy and sponsors (Coca-Cola, MUJI, Chenguang) for events including Sino-French Cultural Week, sports day, and orientation with 1,000+ attendees.
- Managed bilingual hosting, guest coordination, and overall program execution.
- Streamlined sponsor communications and scheduling to ensure smooth cross-cultural collaboration.

Honors & Certification

John Locke Essay Competition – Shortlisted, Economics Track (2023)
Selected for essay *"What would happen if we banned billionaires?"*, analyzing economic and social implications of wealth redistribution and innovation incentives.
