WORK/RESEARCH EXPERIENCE

Business Development Intern **San Francisco, CA**
Cellin Beauty / RN Talent *Jan 2026 - Present*
- Working directly with the founder on decision-making by analyzing markets, pricing, and expansion opportunities with a focus on sustainable, long-term growth for a cosmetics startup
- Conducting outreach to corporate partners in San Francisco and internationally, building relationships aligned with ethical and responsible business practices
- Evaluating consumer access, regulations, and distribution models to understand how products can scale across different economic contexts

Dwight David Eisenhower Transportation Fellowship **Washington D.C.**
Dwight David Eisenhower Foundation *, October 2023 - May 2025*
- Selected as a two-time Eisenhower Fellow researching equitable, sustainable transportation systems
- Conducted independent, data-driven research analyzing trends and stakeholder impact
- Presented findings at the Transportation Research Board Annual Meeting to a national audience

Research Intern **Napa Valley, CA**
Napa Valley MESA *Jan 2023 - May 2024*
- Applied quantitative and analytical skills to complex research projects involving real-world data
- Collaborated in team-based problem solving environments, translating technical findings into understandable insights
- Strengthened mathematical reasoning and data analysis skills relevant to economic and financial modeling

Research Intern **Virtual**
NASA/Center for Climate Systems Research, Columbia University *January 2024- May 2024*
- Analyzed observational and simulation-based climate data using NASA GISS ModelE.
- Conducted statistical analysis and comparisons with satellite and field observations.

California Climate Action Corps **San Jose, CA**
San Jose Conservation Corps *June 2023 - Aug 2023*
- Conducted outreach to corporate partners including Google, Adobe, and Apple to support climate education and public-interest initiatives
- Researched legal, regulatory, and operational frameworks governing volunteer engagement and community programs

LEADERSHIP EXPERIENCE

Student Government at Napa Valley College **Napa Valley College, CA**
President of ASNVC *October 2022 - May 2025*
- Led budgeting and funding decisions to support student organizations and equitable access to campus resources

- Advocated for underrepresented student populations in financial and administrative decision-making spaces
- Worked with administrators and external partners to allocate resources responsibly and transparently

AMEMSA Alliance **Virtual**
Networking Director / Podcast Director *October 2021- December 2022*
- Led outreach to nonprofits and collaborators for partnerships and programming.
- Hosted and produced a podcast focused on community issues and social trends.
- Managed Instagram presence and audience engagement.
