Blind Resume

PROFESSIONAL PROFILE

High-achieving Finance undergraduate at Tecnológico de Monterrey with strong interest in financial analysis, strategic planning, and investment banking. Recognized for critical thinking, multidisciplinary team leadership, and a systematic vision, all developed through participation as a finalist in national case competitions. Actively involved in student organizations focused on accounting, finance, investment banking, and consulting.

EDUCATION

Tecnológico de Monterrey, Campus Monterrey | Expected graduation date: June 2027
Bachelor in Finance | GPA: 4.0
Relevant coursework: Investment Analysis, Business Valuation, Investment Theory, Treasury Management

UC Berkeley, BISP | January 2026 – December 2026

Academic Distinctions: Academic Talent Scholarship 2023 | Afirme Seguros Challenge 2024 Winner | Actinver Challenge (Tec21) 2025 National Finalist

EXTRACURRICULAR ACTIVITIES

TIBC – Tec Investment Banking Club
Elements Program Member (08/2025 – 12/2025)

- Selected as 1 of 60 students campus-wide for Elements, a highly selective, technical, and intensive investment banking training program organized by TIBC.
- Granted exclusive access to masterclasses, conferences, and workshops led by industry professionals covering topics such as business valuation, M&A, PE, and VC, including real-world case studies.

TCC – Tec Consulting Club
Strategic Planning Coordinator (07/2025 – 12/2025)

- Co-designed and implemented strategic initiatives that strengthened the club's consulting capabilities, aligning its vision with members' professional development.
- Coordinated case practice sessions, skill workshops, and networking events with consultants and alumni to expose members to real consulting challenges.

ITESM – Instituto Tecnológico de Estudios Superiores de Monterrey
Intern – Academic Records & Strategic Projects (08/2024 – 12/2025)

- Cleaned and consolidated 8+ Excel-based databases by cross-referencing multiple sources to identify inconsistencies and ensure data accuracy.
- Designed 3 integrated databases connected to Looker Studio, improving access to key academic information for coordinators and students.

SECPF – Student Society of Public Accounting & Finance
Director of Strategic Relations (01/2025 – 08/2025)

- Strengthened ties with the academic and business communities by organizing 6 events and 5 corporate visits in collaboration with top firms such as Deloitte, KPMG, EY (New York), PwC, and Banco BASE.
- Built strategic partnerships with senior finance and accounting professionals (20+ years of experience), involving them as guest speakers in student development events.
- Co-organized the national celebration of the 118th anniversary of public accounting, held for the first time outside Mexico City, creating institutional ties with ICPNL and IMCP.

PROJECTS

Afirme Seguros 2024 – Led the development of a proposal to integrate Afirme Seguros services within the Waze mobile app. Contributed to both the front-end design and financial feasibility analysis of the proposal, which was ultimately selected by company executives as the most attractive solution campus wide.

Actinver 2025 – Led a multidisciplinary team in the construction of an investment portfolio tailored to a retirement-focused client profile. Optimized the Sharpe ratio under the constraint of maintaining a daily Value-at-Risk (VaR) below 1.5%. Selected as national finalists and awarded second place after presenting to Actinver executives.
