PROFESSIONAL EXPERIENCE

University Of California, Berkeley Men's Cross Country and Track and Field – *Division 1 Student Athlete* | Berkeley, California

08/2025 – Present

- Balanced a full Berkeley course load with 30+ hours a week of training while maintaining a high level academic achievement, learning time management.
- Represented UC Berkeley athletics in hosting future Berkeley recruits, attracting top-tier talent from all over California, improving efficiency for our coach and recruitment team.

Deloitte Sponsored - Make A Play Foundation (MAP) – 2026 NXT Winter fellowship – | Remote

01/2026 – 02/2026

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem-solving.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs, including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.
- Scheduled to deliver a board-style strategy presentation to Deloitte leadership on Monday, March 23, presenting recommendations supported by user research, commercial rationale, and implementation sequencing.

LEADERSHIP & COMMUNITY DEVELOPMENT

SABN (Student Athlete Business Network) – *Member* | Berkeley, California

09/2025 – Present

- Participated in the SABN Business Network Club at UC Berkeley, learning more about career interests.
- Approached structured info sessions and networking sessions with professionals from Bain & Company and Wells Fargo, learning how to excel in future Networking and internship applications
- Engaged in speaker-led workshops and professional development programming focused on consulting and financial services career pathways

Cal Athletics Career Roundtable – *Participant* | Berkeley, California

09/2025 – 09/2025

- Participated in a moderated career roundtable focused on pathways from alumni on career interests and industry exposure
- Networked with several UC Berkeley alumni working in Consulting and Investment Banking, who helped me explore my interests, educated on what to expect from each role
- Learned various Business industries and internship application strategies one-on-one, leading to real-world application

NICA(National Interscholastic Cycling Association) Mountain Bike Racing – Team Captain | Albany, California

02/2022 – 02/2024

- Achieved California Sophomore State Champion against ~550 competitors, learning resilience in tough environments.
- Represented as Team Captain, helping kids on the team learn technical skills, motivating them to compete at a higher level
- Participated in Community Engagement, maintaining the Tilden Regional Park trail system and participating in team conferences.

NON-TECHNICAL SKILLS & INTERESTS

- Team collaboration in high-performance environments
- Time management and accountability
- Corporate strategy and decision-making
- Technology ethics and the future of work
- Active Deliverables – Interview & Skill Development
