EXPERIENCE

BERKELEY HAAS ENTREPRENEURSHIP HUB: Berkeley, CA Aug 2025 – Present

Community Manager

- Analyzed and structured fragmented demand across 1,000+ students, matching members to 100+ resources, mentors, and funding opportunities to expand access to venture programs and entrepreneurship initiatives
- Developed and executed targeted outreach and allocation systems, driving 70% growth in member attendance and 500+ visits in 2.5 weeks, transforming underutilized physical space into a high-traffic community asset

LEADERSHIP

IDEA FACTORY CONSULTING: Berkeley, CA Aug 2024 – Present

Strategy Consultant

- Quantified 71% seasonal-menu preference and 80% social-media influence from 217 customer surveys and 62 interviews, informing launch strategy and menu positioning to accelerate client expansion outcomes
- Built competitive analysis in Excel across 10 brands for food and beverage chain A Twosome Place's 2026 expansion in the United States, mitigating market-entry risk and strengthening capital allocation decisions

WORLD ECONOMICS CUP: Seoul, South Korea Aug 2022 – May 2024

International Competitor

- Led the only all-female team globally to qualify for the international round and earn World Gold as a top 10 finish out of 421 teams by delivering economic analysis and case solutions under 48-hour time constraints
- Developed economic models from complex research journals to achieve 2nd place in Thinking & Innovation module among more than 2,000 students from 42 countries, and earned Higher Distinction Individual Award
