- **Coursework:** Introduction to Culture and Natural Resource Management (ESPM 50AC), Accelerated Reading and Composition (COLWRIT R1A), Calculus II (Math 52)

University of California, Los Angeles *June 2023 - July 2023; June 2024 - July 2024*
UCLA Summer Sessions

- **Coursework:** *Principles of Economics, Community Engagement & Social Change*

EXPERIENCE

U.S. Soccer
Grassroots Referee ***April 2022 - Present***

- Refereed over 350 games in competitive levels ranging from recreational soccer up to MLS Next/ECNL/Girls Academy and age groups ranging from U5 to U19
- Communicate with both coaches and players on required equipment, game safety, and required etiquette on the field
- Youth Referee of the Year in 2024
- Learned working under pressure and making quick decisions on the spot

Green Team/Environmental Outreach Club
Coordinator ***August 2022 - June 2026***

- Established curriculum and organized presentations for elementary schools and high school freshmen (1400+ students in total) to spread awareness about the environment and sustainable practices
- Partnered with Tree-Plenish and distributed 480 trees to my local community
- Conducted interviews of prospective new members; came up with new bylaws to encourage club member participation
- Reintroduced recycling and composting; collaborated with other school clubs on volunteering initiatives like creek cleanups

R.J. Fisher Middle School
Assistant JV and Varsity Boys and Girls Soccer Coach ***February 2023 - April 2026***

- Manage their workload, decide team tactics and lineups, and communicate with parents and league administrators regarding scheduling
- Learned patience from working with players at different skillsets
- Boys' team won two West Valley League championships and two runner-up finishes; girls' team won one championship
