Berkeley, CA 94704

nikita.volodin@berkeley.edu (510) 859-5791

EDUCATION

University of California, Berkeley – Haas School of Business **Berkeley, California**

B.S. in Business Administration & Env. Economics; Minor in Public Policy *Expected December 2028*

- Cumulative GPA: 3.6/4.0; Major GPA: 3.7/4.0; SAT: 1500/1600 (M: 790)
- Undergraduate Private Equity Club, Business Review at Berkeley (BRB)

WORK EXPERIENCE

IKONA Partners **San Francisco, California**

Investment Banking Intern *March 2026 - July 2026*

- Screened 1,000+ SaaS companies for financial and strategic fit, leveraging PitchBook for company research, and identified 30+ potential acquisition targets.
- Built revenue models and tearsheets on potential SaaS targets, analyzing P&L, ARR/MRR, retention, growth, margins, and comparable-company valuation multiples.
- Built buyer-profile slides detailing acquirers' ownership, M&A activity, and product functionality for an active deal pitch deck, working alongside an analyst and associate, reporting to the Managing Director.

Grant Private Wealth Management **Walnut Creek, California**

Financial Advisor Intern *September 2025 - December 2025*

- Secured new clients, generating ~$100K in new client investments for the firm by streamlining handoffs, pre-assembling onboarding paperwork, and tightening CRM follow-ups.
- Coordinated cross-functional requests (investments, tax, estate) to deliver client answers.
- Supported client engagement, including on-course outings with Ultra-High-Net-Worth families.

LEADERSHIP

Pattern (Social Network Startup) **Berkeley, California**

Co-Founder & Head of Strategy and Ecosystem *January 2025 - July 2025*

- Co-founded social platform dedicated to reaction videos offering a unique experience for users to watch a live video unfold while making real-time reactions; raised ~$400K in angel commitments.
- Shaped product thesis, ecosystem, and narrative to attract moderators with built-in audiences.
- Led early growth, user acquisition, and seed-stage planning before the team wound down the venture.

BrickZONE (LEGO Retail) **Remote**

Founder & CEO *February 2022 - December 2025*

- Founded and scaled an affordable LEGO reseller to ~$5K monthly revenue from 100+ repeat orders.
- Drove growth via targeted marketing, micro-influencers & product-promotion strategies.
- Partnered with 5+ charities to donate LEGO sets and profits, building brand through social impact.

HONORS & AWARDS

- PwC Global Youth Case Competition (2023): Global Finalist (Top 12/700 teams) in a business model strategy case championship.
- ASPIRE 2030 Hackathon (UNESCO/UNDP, 2025): Global Finalist (Top 10/170 teams) for a solution on feasibility and cost-effectiveness.
