WORK EXPERIENCE

PathWise **Pleasant Hill, Ca**

Wealth Management Intern *November 2025- Present*

- Supported senior advisors in building personalized financial plans for 40+ clients by analyzing cash flow trends, retirement readiness, risk tolerance profiles, and investment allocations across taxable and tax-advantaged accounts.
- Analyzed client portfolios totaling $25M+ in AUM by reviewing asset allocation, historical performance, diversification metrics, and rebalancing needs to improve long-term returns and downside risk exposure.
- Built and maintained client performance dashboards using Excel and internal portfolio tools, automating calculations and reducing reporting preparation time by 30% while improving clarity of client presentations.
- Conducted detailed market and product research on ETFs, mutual funds, equities, bonds, and retirement vehicles, producing 20+ written investment summaries used in strategy meetings and implemented in client portfolios

US CAPITAL GLOBAL **San Francisco, CA**

Investment Banking Internship *June 2025- September 2025*

- Supported deal teams across M&A and capital markets by assisting with live transactions, coordinating internal workflows, and preparing detailed pitch materials for over 3 active client engagements across multiple industries.
- Built and updated valuation models, including Discounted Cash Flow (DCF), comparable company analysis, and precedent transactions to support advisory work for middle-market companies with $10M–$250M+ in revenue.
- Prepared comprehensive pitch decks and investor presentations for capital raises and strategic advisory engagements across technology, healthcare, and industrial sectors for senior bankers and analysts' review.
- Conducted in-depth financial statement analysis, industry research, and market comparisons using public filings and research databases to evaluate acquisition targets and identify potential investment opportunities.
- Maintained a transaction pipeline database tracking investor outreach, deal stages, valuation metrics, and client communications, improving internal workflow efficiency and reporting accuracy by approximately 20%.

BK PROPERTIES **San Francisco, CA**

Financial Operations Manager *June 2022- Present*

- Conducted market research and valuation analyses using comparable sales and financial modeling, leading to the acquisition of 4 multifamily properties worth over $3.8M while optimizing purchase terms and financing structures.
- Managed a $7.5M+ portfolio of 38 residential and commercial properties by developing ROI, IRR, and Cap Rate models in Excel to reinvest $1.3M in profits into new high-yield real estate opportunities in residential properties.
- Oversaw budgeting, financial reporting, and compliance processes while coordinating with property managers and vendors, improving Net Operating Income (NOI) and ensuring operational efficiency across the entire portfolio.
- Reduced maintenance and vendor expenses by 18% year-over-year through maintenance programs, vendor renegotiations, and data-driven cost optimization strategies across multiple residential and commercial properties

LEADERSHIP

ALPHA SIGMA PHI **Berkeley, CA**

Founding Member | Executive Treasurer *September 2025-Present*

- Managed $50K+ annual budget, optimizing cash flow and ensuring financial reporting for 70+ members.
- Raised $30K+ through alumni engagement, sponsorships, and fundraising, increasing yearly revenue by 40%.
- Implemented data-driven budgeting and expense tracking systems that reduced operational costs by 15%.
- Advised the executive board on financial planning and investment strategies to strengthen long-term sustai*nability.*

WEALTH MANAGEMENT CLUB **Pleasant Hill, CA**

Founder/President *January 2023- May 2025*

- Founded and grew the club to 50+ members in under two months, creating one of the largest student organizations
- Organized speaker panels with finance professionals, connecting students to real-world insights, internships, and networking opportunities across investment banking, consulting, cooperative finance, and wealth management
- Launched marketing campaigns via social media, classroom outreach, and events, increasing participation by 300%
- Raised over $4,000 for club-wide trips to different financial organizations, including Wells Fargo and JMP Group
