Professional Summary

Driven computer science student with a multidisciplinary foundation in mathematics, data science, and biology. Experienced academic tutor and civic leader, passionate about advancing educational equity and driving community impact. Skilled in Python, R, bioinformatics, and public policy, with a proven ability to lead initiatives that apply technical expertise to solve real-world challenges and foster inclusive environments.

Skills

- **Programming & Technology:** Python, Java, R, HTML, Cloud Computing, Artificial Intelligence (AI), Machine Learning (ML), Cybersecurity, Cryptography, Linux, Digital Forensics
- **Data Science & Math:** Data Analysis, Biostatistics, Precision Medicine, Probability Theory
- **Biology & Medicine:** Genomics, Research Ethics, Data Science in Medicine, Molecular Biology, Physiology, Human Anatomy, Cellular Biology, Ecology, Evolution, Kinesiology
- **Professional & Interpersonal:** Organizational Skills, Event Planning, Event logistics management, Event operations and oversight, Collaboration, Communication, Leadership, Tutoring, Community Service

Education

- **University of California, Berkeley** (2025-2029), **Computer Science, BA -** College of Computing, Data Science, and Society (CDSS)
- **Cañada College, College of San Mateo, and Skyline College** (2022–2025) - Dean's List | GPA: 3.92
- **Arizona State University** (2021) - GPA: 4.0
- **Ocean Grove Charter School - High School** (2021-2025) **-** unweighted GPA: 4.0 | weighted GPA: 4.54

Relevant Coursework

- Algorithms, Networks, and Social Systems (CDSS 94)
- The Structure and Interpretation of Computer Programs (COMPSCI 61A)
- Calculus/Analytic Geometry 1 (Math 51)
- Calculus/Analytic Geometry 2 (Math 52)
- Differential Equations
- Probability and Statistics (STAT 2)
- Reading and Composition (English R1A)
- Composition, Literature and Critical Thinking (English R1B)
- Object-Oriented Program Design
- Programming Methods: Java
- Introduction to Philosophy
- Art and Architecture from the Ancient World to Medieval Times
- Art of Europe and America: Neoclassical to the Present
- US History from 1877 to Present
- Introduction to Kinesiology
- Effective Tutoring & Practicum

Work Experience

Engineering Support Specialist – UC Berkeley College of Engineering (EECS Department) - 2025 – Present

- Supporting instruction and research for faculty, staff, and students in the largest department on campus, fostering strong communication and teamwork.
- Providing technical and logistical support for academic research projects and hardware labs, collaborating with engineers and students
- Problem solving and assisting with lab operations: soldering, troubleshooting, and maintaining AV, test equipment, and processors (Arduino, Raspberry Pi, and TI Launchpads).

Mathematics Tutor – Cañada College STEM Center - 2023 – 2025

- Tutored students from precalculus to calculus III and statistics (20 students/week; in-person and online Tutoring)
- Tools used: GeoGebra, Desmos, Zoom, Accudemia, Digital whiteboard interfaces
- Instilled growth mindsets and self-confidence through customized tutoring approaches
- Collaborated with professors to align academic support with curriculum goals
- Championed STEM access for underrepresented student groups

- Measurable impacts: improved GPAs and retention; students once with failing grades were now top of their class
- Consistently received excellent students' and professors' reviews and multiple referrals, reflecting strong teaching effectiveness and student satisfaction

Volunteering / Community Service

Intern – City of San Mateo Mayor's Office - *2022 – 2024*

- Drafted affordable housing proposals and advocated for zoning reform to increase equity and reduce exclusionary practices
- Expanded **Project Guardian** by engaging regional mayors to support residents with cognitive disabilities during police interactions
- Initiated, drafted, and presented a youth civic internship program to boost student job access and extend city service hours
- Supported DEI outreach, including LGBTQ+ Pride Parade planning and inclusive community engagement
- Presented at City Council meetings as a youth advocate; aiding the campaign to elect San Mateo's first Black Councilmember

Academic Tutor – Healthy Cities Tutoring - 2021

- One-on-one tutoring in math and English for underserved youth
- Helped improve student confidence, academic skills, and school performance

---

Leadership & Campus Involvement

Educational Opportunity Program (EOP) – UC Berkeley – 2025–Present
Selected as an EOP student, demonstrating resilience and academic achievement while overcoming systemic barriers to higher education for first-generation and underrepresented students. Actively participating in workshops fostering academic success, leadership development, and professional growth.

Board of Directors – AZA (International Teen Leadership Nonprofit) - *2021–2024*

- Led financial strategy, managed budgeting, bookkeeping, and vendor payments; oversaw investment of fundraising proceeds
- Organized and executed philanthropic events, team-building programs, and large-scale fundraisers supporting humanitarian relief in Ukraine and local community programs
- Chaired business meetings, recruited and mentored new members; recognized with leadership awards

Treasurer – Finance & Investment Club, Cañada College - *2023*

- Managed event budgets and reimbursements; served as liaison between the club and student union
- Organized investment simulations and mock panels to engage students in finance

LatinE in STEM Club – College of San Mateo - 2023

- Empowered LatinE students in STEM through networking events, industry speaker panels, and peer support sessions
- Fostered academic and professional growth through resource sharing and community-building to address systemic barriers in STEM fields

---

Honors, Awards & Certifications

- **Stanford University School of Medicine -** Stanford Data Ocean Program - Certificate *Fundamentals of Data Science in Precision Medicine & Cloud Computing* (2023)
- **National Honor Society -** Ocean Grove High School (2023)
- **Golden State Seal Merit Diploma** (2025)
- **CA State Seal of Biliteracy** (2024)
- **Math Scholar Award** - Ocean Grove High School (2025)
- **High School Honor Roll** - Ocean Grove High School (2025)
- **Dean's List – Cañada College, College of San Mateo, and Skyline College** (2024-2025)
- **Cisco Networking Academy -** *Cybersecurity Camp* (2022)
- **Select Hackathon Wins** - *Awards: 1st place Angel Hacks, 2nd place Leland Hacks* (2019–2024)
