PROFESSIONAL EXPERIENCE

Waterway Transport Joint Stock Corporation **May 2025 – August 2025**
Mergers And Acquisitions Intern *Hanoi, Vietnam*
- Analyzed 3 10-Q reports alongside comparable company data to refine portfolio monitoring and update credit assessments
- Researched industry trends, market dynamics, and competitor M&A activity to identify strategic opportunities

Military Bank Vietnam **June 2024 – August 2024**
Small and Medium-sized Enterprise Department Intern *Hanoi, Vietnam*
- Gained knowledge of banking operations, including credit assessments, client management, and financial documentation
- Trained in banking software and tools, assisted with data management, and gained experience in financial services.
- Managed financial data for SME clients and researched local market trends to aid report preparation

LEADERSHIP AND ACTIVITIES EXPERIENCE

EausterBeads **December 2023 – Present**
Co-Founder *Ho Chi Minh City, Vietnam*
- Developed a sustainable model repurposing thousands of tonnes of waste oyster shells annually into Eauster Beads—water filters that convert to fertilizer after use—through prototyping with Ho Chi Minh City university labs.
- Conducted market and cost analyses to identify stakeholders and ensure affordability and accessibility through viable distribution channels.
- Built and managed a Facebook page with 10,000+ followers to drive awareness around sustainable water solutions.

Senses of Vietnam **September 2023 – Present**
Founder *Hanoi, Vietnam*
- Oversaw a 30+ member team and organized cultural exchange tours in Hanoi and Ho Chi Minh City
- Built and managed social media channels with 15,000+ followers and created a website to showcase Vietnam's culture
- Designed and taught a 12-week Vietnamese communication course for tourists, enhancing cross-cultural understanding.

Moonlit Threads **June 2024 – October 2024**
Founder *Sapa, Vietnam*
- Directed 15 team members in executing projects supporting indigenous Sa Pa weavers.
- Organized a mooncake fundraiser, generating 100+ orders and ₫50M VND revenue, reinvesting profits into sewing machines for traditional weavers in Sapa.

AWARDS
