Elliot McGuire

(805) 724-5112; elliotrmcguire@gmail.com

EDUCATION

University of California, Berkeley **2026 - present**

- Studying Materials Science in the Berkeley College of Engineering

Santa Barbara City College **graduated may, 2026**

- GPA: 3.99
- Classes taken include French 101, French 102, French 103, Math 150, Math 160, Math 200 (multivariable calculus) Math 210 (linear algebra).
- Graduated with two Associate degrees, with emphasises on Mathematics and Science & Arts and Humanities

Dos Pueblos High School (DPHS), Goleta **graduated June, 2026**

- GPA: 4.87 weighted / 4.0 unweighted
- Dos Pueblos Engineering Academy. In this academy, I have used solidworks constantly. My portfolio has many photos of me using engineering tools. My Portfolio: https://2026mechatronicselliotmcguire.weebly.com/kinetic-sculpture.html

EXPERIENCE

- Mechanical, Aerospace, Software Engineer & Research Analyst with Top Secret Security Clearance at Toyon Research Corporation, a defense contractor with the U.S. government.
- Published an AI research paper focused on approximating fluid dynamics in turbulent environments. (https://doi.org/10.70251/HYJR2348.422634)
- Mechanical Engineer intern at Dos Pueblos Engineering Academy
- Shadower at Asylum Research (subsidiary of Oxford Instruments)
- Researched hydrogen energy at UCLA as part of the COSMOS program (2025 summer)

EXTRACURRICULAR ACTIVITIES

- Octobots & Riviera Robotics, 2021-2026. Mostly worked with CNC machines and CAD. I have spent hundreds of hours modeling and managing large Solidworks assemblies in robotics. I lead the CAD team for the 2024–2025 school year and have a deep interest in mechanical engineering. Our team got to the world championship this year.
    - Robotics team “Excellence in Engineering” award, and “Rising All-Star” Award (https://www.thebluealliance.com/team/9084)
- Designed parts and mentored students for an American Rocketry contest team.
- Math competitions and seminars, Santa Barbara Family School, 2019-present. Includes winning Westmont math competition, part of nationally ranked #13 ARML power contest team.
- Co-founder, Fresh Air Club Tobacco-free (2022-2026) at DPHS to raise awareness about smoking and e-cigarettes on high school campuses.
- Founder, Toki Pona Club (2024-2026), a club for a very small, constructed language.

HONORS AND AWARDS

- Scholar athlete of the year (Dos Pueblos High School, 2025-2026 school year)
- Santa Barbara Scholarship Foundations honors scholarship recipient (2025-2026 school year)
- Won overall team first place at Westmont math contest.
