Professional Experience

Tower23 Advisory Partners **Chicago, IL**
Summer Intern *May 2026 – August 2026*

- Supported business development efforts for an early-stage accounting firm, contributing to a growing client pipeline
- Analyzed market pricing and competitive positioning across the outsourced accounting/advisory space to support the firm's service pricing and financial planning decisions
- Drafted outreach materials and messaging to support client acquisition efforts for a founder-led accounting practice
- Assisted in developing GTM strategy for a newly launched accounting advisory firm, working directly with the founder

Wall Street Oasis **Saratoga, CA**
Equity Research Analyst Intern *February 2026 – May 2026*

- Coauthored 20+ page research report including 3-statement model, DCF, & trading comps on Equinix Inc
- Published market insights and commentary reaching 140,000+ newsletter subscribers, boosting equity research visibility
- Completed 100+ hours of study and training in Excel modeling, PPT for finance, like transactions, and M&A modeling

Village of Lincolnwood **Lincolnwood, IL**
Lifeguard *May 2025 – August 2025*

- Ensure the safety of 200+ daily patrons by actively monitoring pool operations and enforcing safety protocols
- Responded to multiple real emergencies, making rapid, high-stakes decisions under pressure
- Maintained vigilance, situational awareness, and clear communications in a fast-pace, high-responsibility environment

Leadership & Extracurricular Experience

University of California Investments Academy **Berkeley, CA**
Member *August 2025 – Present*

- Completed UC Investments Academy Career Track: financial modeling, valuation, and investment analysis training
- Completed financial literacy and career strategy modules covering personal wealth-building, job market navigation, and industry-specific interview preparation as part of a selective UC Office of the President-sponsored program

Lane Tech Future Business Leaders of America **Chicago, IL**
President and Founder *August 2021 – May 2025*

- Founded and led the school's first FBLA chapter, establishing its mission, organizational structure, and programming
- Solely recruited, trained, and onboarded 50+ Student members within the chapter's first year of existence
- Developed and facilitated bi-weekly 1.5-hour business workshops, incorporating case studies and organizing industry speakers to provide practical exposure to career pathways, entrepreneurship, and professional development
- Secured funding via school & external sources to support chapter retreats, competition preparation, and event logistics
