Gabe Schoor

New York, NY | 631-636-8720 | gschoor@berkeley.edu | www.linkedin.com/in/gabe-schoor-95b603375

EDUCATION

University of California, Berkeley - College of Engineering **Berkeley, CA**
- Industrial Engineering and Operations Research (BS) Aug 2025 - May 2029

Kings Park High School **Kings Park, NY**
- Rank: Top 5 in Graduating Class Sep 2021 - Jun 2025
  - AP Calculus AB & BC, AP CSA, AP CSP, AP Physics 1 & 2, AP Chemistry, AP US Gov, AP World
  - GPA: 104/100
  - National Honors Society, Tri-M Music Honors Society, National History and Civics Honors Society

Relevant coursework: MATH 53, ENGIN 7, MATH 54, INDENG 120, DATA 8

PROFESSIONAL EXPERIENCE

North Atlantic Industries **Bohemia, NY**
- *Quality Engineering Intern (Incoming Summer 2026)* May 2026 - Aug 2026

Stony Brook University School of Marine and Atmospheric Sciences **Stony Brook, NY**
- *Research Intern - Dr. Jacqueline McSweeney Laboratory* Nov 2023 - Aug 2025
  - Co-authored paper *Velocity Shear and the Speed of Nonlinear Shoaling Internal Waves in the Central California Inner-Shelf*: Expected publication to *Journal of Physical Oceanography (Fall 2025)*
  - Analyzed 35,000+ oceanographic data points using MATLAB statistical and spectral analysis that identified patterns in internal wave behavior
  - Automated data-cleaning pipeline for CTD field data using MATLAB, reducing processing time by 40% and enabling faster iteration on computational methods
  - Identified a more robust method for calculating phase speed of internal waves in highly dynamic environments: increasing calculation accuracy by 60%

Pascucci for Suffolk County Legislator **Suffolk County, NY**
- *Canvassing Intern* May 2025 - Aug 2025
  - Conducted door-to-door outreach across 300 + households, collected and analyzed voter data in Excel and Python's pandas library
  - Produced data-driven insights that guided campaign platform strategy and improved favorability by 12%
  - Collaborated with campaign managers to streamline volunteer routing, reducing travel time by 15%

LEADERSHIP EXPERIENCE

DECA Business Club, Kings Park High School **Kings Park, NY**
- *President* Sep 2021 - Jun 2025
  - Led 30+ members in regional and state competition in which I was a 3x Regional winner and ranked top 10 in NY State Financial Literacy Competition - Invited to attend NY State DECA Honors Society
  - Conducted workshops on stock valuation and personal investing, risk management, and business strategy

Independent Science Research Program, Kings Park High School **Kings Park, NY**
- *President* Sep 2022 - Jun 2025
  - Mentored 25 student researchers through proposal development and competition submissions to fairs such as New York State Science and Engineering Fair, Long Island Science Congress, JSHS
  - Presented project findings and led seminars on scientific presentation skills and data storytelling

SKILLS

- **Technical:** Python (NumPy and Pandas), MATLAB, LaTeX, Cursor, Scientific Writing, Statistical Analysis, Data Analytics
- **Additional:** Project Management, Team leadership, Teamwork, Adaptability, Grassroots strategy, Communication

ADDITIONAL INFORMATION

- **Interests:** Music (Guitar, Alto Sax, Production), Tennis (Varsity Captain), Weightlifting, Hiking, Skiing
- **Certificates & Achievements:** Semifinalist at Junior Science and Humanities Symposium, Top 10 in NY State DECA (All categories - Personal Financial Literacy), Top 5% in Stock Market Game, AP Scholar with Distinction
- **Additional Education:** National Student Leadership Conference - International Diplomacy at Georgetown University
