EDUCATION | University of California, Berkeley — B.A. in Economics '26

PROFESSIONAL EXPERIENCE

Equity Research Intern — Baer Investment Advisory (BIA) x Women on Wall Street
Remote | June 2025 – Aug 2025
• Built a full investment report on Watsco Inc., evaluating financial performance, competitive advantages, and long-term growth potential.
• Analyzed 10-K filings, earnings calls, and investor materials to assess key metrics, risks, and market positioning.
• Contributed to a 28-intern cohort producing structured equity write-ups under senior advisor guidance.

Finance & Marketing Intern — Cielo WiGle Inc.
Islamabad | June 2024 – Aug 2024
• Rotated across finance, marketing, and product teams at a leading U.S.-based smart home technology company.
• Improved Amazon product listings, increasing conversion rates by 12%.
• Conducted competitive analysis on 10+ global brands, informing product positioning and feature roadmaps.
• Collaborated with engineering to troubleshoot AWS latency issues, improving product load speeds by 20%.
• Enhanced digital marketing campaigns by refining ad copy and reporting, contributing to a 15% lift in CTR.

Event Management Assistant — Cal Athletics
UC Berkeley | Aug 2024 – Jan 2025
• Supported logistics, operations, and event coordination for athletic events with 15,000+ attendees.
• Streamlined ticketing and fan-engagement processes, improving onsite efficiency and attendee satisfaction.

EXTRACURRICULAR & LEADERSHIP EXPERIENCE

ASUC Senate — Finance & Cultural Affairs Associate
UC Berkeley | 2025 – Present
• Secured $10,000+ in ASUC funding for community events, cultural programs, and student initiatives.
• Drafted applications, pitched funding proposals, and coordinated scholarship planning for MEMSSA students.
• Managed logistics, programming, and outreach for large student-facing panels and initiatives.

Professional Development Executive — Muslims of Haas
UC Berkeley | 2025 – Present
• Created a professional development resource hub for students pursuing consulting, finance, and business roles.
• Launched resume workshops and a resume drop-box system providing structured feedback.
• Organized panels with professionals from top firms and partnered with recruiters to host targeted events.
