EDUCATION

University of California, Berkeley — **Berkeley, California**
B.A. in Physics and Mathematics — *Expected Graduation, May 2028*

- **Concentrations:** Pure Mathematics
- **Related Coursework:** Abstract Linear Algebra, Quantum Mechanics, General Mechanics and Relativity, Real Analysis, Lagrangian Mechanics

Foothill College — **Los Altos, California**
Dual Enrollment with High School — *September 2024 - June 2025*

- **Concentrations:** Mathematics
- **GPA:** 4.0/4.0
- **Related Coursework:** Discrete Mathematics, Differential Equations, Linear Algebra, Object Oriented Methodologies in Java

University of California, Santa Cruz — **Santa Cruz, California**
Dual Enrollment with High School — *June 2024 - August 2024*

- **Concentrations:** Mathematics
- **GPA:** 4.0/4.0
- **Related Coursework:** Vector Calculus 1 & 2

EXPERIENCE

Weiliptic.ai — **Los Altos, California**
Data Analysis Intern — *May 2024 – Aug 2024*

- Modeled blockchain transaction patterns using mathematical techniques to uncover trends and improve performance.
- Designed interactive dashboards and simple visualization tools to make complex data easy to understand
- Enhancing system visibility and helping users make informed decisions.

Tata Institute of Fundamental Research — **Atlanta, Georgia**
Research Assistant — *June 2023 – July 2023*

- Conducted research on stellar dynamics and high-energy astrophysical phenomena by applying computational modeling and data analysis techniques.
- Explored patterns in stellar motion and energetic cosmic events to gain deeper insights into the structure and behavior of the universe.

PROJECTS

Portfolio Analyzer — **Mountain View, California**
Team Lead — *Nov 2024 – Dec 2024*

- Developed a Python-based tool that fetches real-time stock data, calculates portfolio returns, volatility, and Sharpe ratio using financial mathematics, and delivers risk–return insights with 95% calculation accuracy.

ACTIVITIES AND LEADERSHIP

Mountain View High School Blockchain Club — **Mountain View, California**
Co-President — *Aug 2023 – June 2025*

- Launched and managed blockchain/Web3 initiatives while creating opportunities for others to learn.
- Hosted guest speakers from UC Berkeley and Georgia Tech to encourage open conversation and knowledge sharing.

Mountain View High School Cubing Club — **Mountain View, California**
Vice-President — *Aug 2023 – June 2025*

- Organized WCA Competition, helped plan and run a sanctioned event with 100+ participants, coordinating logistics, judging rounds, and supporting scramblers.

- Event Operations, assisted with venue setup and ensured smooth execution, contributing to a successful competition experience.

Krishna Vrindhavan Temple **San Jose, California**
Volunteer *June 2021 – Present*

- Serve weekly by assisting priests with setup and cleanup after sermons and morning rituals, ensuring a welcoming environment for the community.
- Committee member for a holiday food drive, coordinating distribution efforts that supported local families.
- Contributed to the Decoration Committee for religious functions, enhancing the atmosphere for major celebrations.

Indian Classical Musician **San Jose, California**
Volunteer *June 2020 – Present*

- Trained in Indian Classical Carnatic music for 10+ years; performed at major Hindu temples in India, including Kapaleeshwar Temple.
- Mentored younger students and helped organize the centenary celebration of musician K.V. Narayanaswamy in Chennai, India.

SKILLS

Programming: Python, Java, HTML/CSS
Tools: Eclipse, Microsoft Excel, VSCode
Awards and Honors: Russian Math Olympiad Qualifier (2022), AP Scholar with Distinction (2023/2024)
Languages: English, Spanish, Tamil
Interests: Music, Speedcubing, Chess, Tennis
