PROFESSIONAL EXPERIENCE

Concord Ventures — **Bellevue, WA**
Incoming Investment Banking Analyst — *September 2025 - December 2025*

KPMG — **Karachi, PK**
Risk and Management Consultant — *June 2024 - August 2024*

- Evaluated Scope 1 and Scope 2 emissions across sectors, delivering dashboards and benchmarks that drove a 20% carbon footprint reduction and $500K+ cost savings.
- Advised clients on carbon market risks and opportunities, supporting strategic participation in emerging carbon credit schemes.
- Streamlined ESG risk reporting through VBA automation, improving data accuracy and reducing modeling time by 70%.

Premium Merchant Funding — **Miami, FL**
Financial Solutions Analyst — *June 2025 - Present*

- Evaluated creditworthiness and revenue profiles of 4,000+ SMBs; conducted underwriting analysis using bank statements, credit trends, and cash flow projections to tailor funding solutions, including SBA loans and merchant advances.
- Recognized as Best Overall Intern; trained on Wall Street, NYC in deal structuring, capital advisory and worked with senior brokers on high-intent leads worth $300K+.

PakLaunch — **San Francisco, CA**
President Berkeley Chapter — *January 2025 – Present*

- Launched the PakLaunch college network by founding the Berkeley Chapter, organizing campus meetups to connect students with the global 350K+ PakLaunch community.
- Supported PakLaunch's broader ecosystem by facilitating investor-startup connections and assisting with flagship events like the UNCONFERENCE, part of a platform that enabled $100M+ in funding and 550+ events globally.

LvlUp Ventures — **Los Angeles, CA**
Venture Scout Intern — *March 2025 – May 2025*

- Selected as a Venture Scout in LvlUp Ventures' VC in Residence Program; sourced 20+ early-stage startups, conducted diligence, and contributed to deal flow across multiple venture partners.
- Trained in founder outreach, market research, and VC evaluation frameworks; supported 3+ investment decisions in sectors including fintech, AI, healthtech, and consumer products.

LEADERSHIP EXPERIENCE & ACTIVITIES

Undergraduate Private Equity Club — **Berkeley, CA**
President — *February 2025 - Present*

- Led a 30+ member PE club for two consecutive semesters, evaluating LBOs, distressed assets, and growth equity; worked on partnering with 5+ PE firms and hedge funds to enhance recruiting pipelines.
- Designed and taught financial modeling workshops (DCF, LBO, M&A) to 100+ students and organized M&A strategy sessions with bulge-bracket and middle-market banks, strengthening members' technical and deal execution skills.

University of California, Haas School of Business — **Berkeley, CA**
Field Manager — *February 2024 - Present*

- Led a global team of 12+ researchers conducting interviews for ChatCHW, an AI-powered platform at Berkeley Haas improving frontline healthcare delivery; ensured data quality and coordinated reporting with faculty.
- Optimized data workflows from 50+ interviews to support AI-driven analysis of health worker challenges in low-resource settings.

International Economics Olympiad — **Beijing, CHN**
Pakistan Delegate — *July 2022 - August 2022*

- Competed in global case studies and investment simulations alongside 300+ participants from over 40 countries, developing skills in market analysis, asset valuation, and economic forecasting.
- Applied financial modeling to solve complex business problems and collaborated internationally on capital allocation and risk assessment.
