WORK EXPERIENCE

FLIFER Technologies **Dallas, TX**
Founder and CEO Jul 2021 – Present

- **Built and scaled a technology startup** focused on compute infrastructure and energy efficiency, deploying **200+ processors** and generating **$600,000+ in cumulative profit.**
- **Developed and launched FLIFERCOIN,** a blockchain-based digital payment system, designing token economics and managing smart contract deployment; scaled to **1,500+ wallet holders** with merchant adoption across multiple platforms.
- **Led product development** for a line of gaming monitors from design through manufacturing and sales, securing the U.S. trademark "FLIFER®" and generating **$60,000 in first-year revenue.**
- **Engineered a solar-powered cooling wearable** integrating flexible solar panels and a micro-fan airflow system to improve heat safety for outdoor workers, resulting in a **U.S. patent (pending).**

Symptoid **Remote**
Co-Founder and CTO May 2025 – Sep 2025

- **Built and launched Symptoid,** an MVP analyzing wearable sensor data to surface personalized health patterns; advanced to the final round of Z Fellows and ranked in the **top 10% of YC applicants.**

Independent Research Project **Tokyo, Japan**
Author and Presenter Aug 2023 – Jul 2024

- **Authored a 14-page quantitative study** modeling price signals for energy storage and dispatch strategies; published in a Springer Nature journal **(Scopus-indexed).**
- **Presented findings** at the 14th International Conference on Renewable Energy (Tokyo University of Science) and discussed market implications with researchers from **20+ countries.**

LEADERSHIP

Texas Business Hall of Fame Foundation (TBHF) **Houston, TX**
Awardee Nov 2022 – Present

- **Received the Outstanding Entrepreneur Award** as the youngest recipient in TBHF's 40-year history, recognized by senior Texas business leaders for building commercially scaled technology ventures.
- **Partnered with Mark Cuban** to support a fundraising campaign, **raising $8,500+** for TBHF youth entrepreneurship programs.
- **Founded the annual $2,000 *Ishaan Thakur Outstanding Entrepreneur Award,*** recognizing high school business owners statewide, supporting future innovators, and strengthening TBHF's youth initiatives.

TEDx Conferences + National News **Global**
Public Speaker Jul 2022 – Feb 2024

- **Delivered a TEDx talk** on youth entrepreneurship, sharing lessons from hardware and technology ventures with an international audience.
- **Featured in over 100 national and international media interviews,** including CNBC, Fortune, and NPR, discussing technical operations, youth entrepreneurship, and Web3 design.
