Justin Ferdinand Mulyono

+1 (925) 878-1700 | justinfm@berkeley.edu | www.linkedin.com/in/justinferdinandmulyono

Education

University of California, Berkeley – Bachelor of Science in Mechanical Engineering
Expected Graduation: May 2027

Work Experience

Asset Manager - Family Capital — January 2025 - Present

- Manage a $24,000 portfolio across concentrated single-stock positions with long-term compounding strategy.
- Conduct bottom-up research of MOATs, revenue growth, cash flow, and management quality.
- Utilized P/E, P/S, PEG, and forward EPS growth to estimate valuation and intrinsic value.
- Achieved ~50% in gains over 12 months of disciplined investing.

Co-Founder - Faint Jakarta — July 2024 - Present

- Co-founded and scaled an event organizer company attracting 300-500 attendees per event in Jakarta.
- Handled outreach towards customers, promoters, and potential collaborators.
- Managed budgeting, pricing, and venue coordination to maximize profits.

Peer Success Coach - DVC Basic Needs — February 2024 - May 2025

- Collaborated with counselors to connect students to improve resource accessibility and student retention.
- Provided one-on-one coaching, planned events, and spoke in conferences to support student success.
- Developed outreach events and created engaging digital content to increase program awareness.

Maintenance Engineer Intern – PT Asahimas Flat Glass TBK — July 2024 – August 2024

- Assisted in maintenance budgeting and cost monitoring using Excel.
- Supported production automation across 20+ assembly lines using 3D modeling and cycle-time analysis.

Leadership Experience

President – DVC Engineering With Entrepreneurs — September 2024 - May 2025

- Founded DVC's first project-based engineering club.
- Led and organized 80 students across four project teams. Resolved internal disputes and challenges.
- Hosted guest speakers including engineers, business owners, and CEOs.

Creative Design Lead – DVC Math Club — September 2024 - May 2025

- Collaborated with officers to create branding strategies and visual materials for events.
- Increased attendance through promotional campaigns, branding strategies and improving event visibility.

Activities Coordinator - DVC International Students Club — April 2024 - May 2025

- Coordinated programs for a 500+ member international student community.
- Organized workshops and networking events focused on community building and professional development.

Founder – Shanker's Golf Club — July 2022 - June 2023

- Built a community of 50+ Indonesian junior and amateur golfers.
- Organized monthly golf tournaments and raised over $3,000 for local charities through events and sponsorships.

Extracurricular Experience

Poker Modeling - Individual Study — January 2024 - May 2025

- Applied pre-flop strategy, Game Theory Optimal (GTO), and risk-adjusted betting framework based on expected pot value and odds.
- Studied opponent patterns and betting behaviors to determine the best exploitative strategy.
