EDUCATION

University of California, Berkeley | College of Chemistry — August 2025 - Present
B.S. Economics + Chemical Biology — **GPA: 4.00**

Menlo School - High School Diploma — August 2021 - June 2025
Coursework: AP CSP, AP CSA, AP Statistics, AP Lang, AP Calc BC, AT Chemistry, AT French, AP Macro/Micro, Environmental and Developmental Economics(H), Applied Science Research(H); Started Menlo Poker Club; AP Scholar

College Experiences: Brown University Nanotechnology Program, Illinois Urbana-Champaign Sustainable Energy Program

PROFESSIONAL EXPERIENCE

BreakBio Corp. — August 2023 -2025
Data Science Intern

- Worked on gene sequencing data and compared 20+ different variant callers to improve the ability to determine mutations in cells that lead to cancer, enabling personalized vaccine development. Cross-referenced lab outputs
- Developed Python code and an AI approach to problems and improved reliability by 20% across 150 lab trials.

MIT Varanasi Nanotechnology Lab — June-August 2023 | June-August 2024
Lab Intern

- Assisted graduate engineering students in environmental science experiments and analyses: preventing algae contact with surfaces in photobioreactors and finding methods in reducing melting point of anti-freeze w/ dimethyl sulfoxide
- Created algorithm to determine accelerated algae density measurement by 30%; reduced melting point by 5°.

Cambridge Associates — June 2024 - August 2024
Intern

- Completed asset-mix modeling and pro-forma documents for endowment clients and ran 50+ simulations to optimize their portfolios for diversification, long-term growth, risk-adjusted returns, and liquidity
- Conducted research into public asset classes + external managers and met with Altimeter and Dodge & Cox

Pioneer Research Scholar — May 2024 - August 2024

- Wrote + published 10 page research paper on economic + biodiversity impact of invasive tree species in California under Colgate University professor; Cited 20+ scholarly papers and attended seminars on the research process.

LEADERSHIP & INVOLVEMENT

Menlo High School Tennis Team — August 2022 – May 2024
Varsity Captain

- Led 15 players. Menlo Team ranked 3rd in USA; 3 time Bay Area Classic Winner; 2-time NorCal State champion; 2nd in California in 2025 (best finish ever for Menlo); Individually selected for West Bay Area All-League Team for 2 years

Ragazzi Boys Choir — May 2022 - August 2025
Bass Section Leader

- Tours in Austria, Italy, Prague, Germany, Australia. Won 2 gold medals at the Australian International Music Festival
- Led 25 choristers in bass section; organized 8 renditions/year with baritone + tenor parts and planned rehearsal schedule

Soltoianu Tennis Academy — May 2024 – August 2025
Tennis Coach and Tournament Referee

- Worked as paid hitting partner for under-12 players; coached at private + group sessions and led ~50 group sessions
- Hosted 12 tournaments for kids. Served as referee and resolved players' disputes, grew participation by ~200%.

Bullis Boosters Summer Program — June – July 2022 | June – July 2023 | June – August 2024
Lead Counselor

- Taught an 8 am-3 pm camp for disadvantaged kids. Scheduled activities, managed inventory, and supervised children.
- Expanded size by 30% to 500+ school kids; implemented CIT classes and conducted 15+ interviews to screen teachers.

ADDITIONAL INFORMATION

Skills: Java, Python, C++, French (Fluent), Hindi (Fluent) | Bloomberg Certificate in Finance Fundamentals

Interests: Golf, Travel, Sustainability, NFL, Gym, Dire Straits and Sammy Virji songs, Poker, Youtube, Comedy specials
