Professional and Volunteer Experience

- USC Law Library Internship - Shadowed and assisted numerous law professors in research regarding endangered animal species located in indigenous lands. Reviewed law student lectures and provided feedback to professors.
- Study Abroad Participant - I studied abroad in Kyoto, Japan for the duration of one summer during high school. I learned Japanese language and culture.
- Kaiser Permanente Emergency Room Volunteer - I was part of the KP Yes Program. Here I shadowed and provided emergency room doctors with assistance during critical, life-saving, and high-stress situations.
- Competed in the National Youth Cyber Defense Competition for the Air and Space Forces Association's CyberPatriot Program. (Learned and utilized python coding)
- Participant of the Los Angeles Metropolitan Debate League - Competed in numerous policy debates.
- Interviewed an Associate Programme Officer in the Africa Terrorism Prevention Branch Division for Treaty Affairs in the United Nations Office on Drugs and Crime (Country Office for Nigeria (CONIG), Abuja).
- Hollywood Youth Orchestra Concertmaster - Led the highest orchestra level for a program called Harmony Project, which seeks to aid and bring music to low-income communities. I was a member of the orchestra for 10 years.
- LA Opera Community Performance - I was a first violinist who performed alongside professional musicians in LA Opera productions.
- Wise Readers to Leaders Math Tutor - I provided math tutoring for elementary school students in low-income communities for two years.
- Wilshire Rotary Club Volunteer - I volunteered for an organization for 10 years that donates all proceeds to charity. At a pumpkin patch and Christmas tree lot, I manage volunteers, work the register, and organize the inventory.

High School Club Involvement

- Debate Club Founder and President - I taught policy debate to the club members for four years. I also hosted policy debate tournaments every other week. (Topics ranged from NATO and National Security to Hydraulic Fracking).
- Economy Club President - Helped fellow schoolmates with grasping a better financial understanding of life. Guest speakers included individuals from Netflix and UCLA.
- Academy of Music and Performing Arts President - The student body president of the Performing Arts Program. I planned activities and fundraisers, but also tried to improve any issues that students were facing.
- Marine Biology Club Vice President - Teaching students marine based information, and completing fun and educational activities.
- Orchestra Club Vice President - Worked towards uniting the different levels of orchestra, strengthening the community, and tutoring those who seek to advance their skill level.
- Students Run Los Angeles (SRLA) Marathon Team - I trained in order to build up the stamina necessary for running numerous miles, and competed in races that increased in mileage throughout the year until I ran the LA Marathon. I have ran the LA Marathon twice.
