ABOUT ME

Economics major at UC Berkeley pursuing a career in financial law, with interests in how regulation, corporate governance and legal frameworks shape business, startups and public policy.

EDUCATION

University of California - Berkeley | 2025 - Present

BA (Economics)

Coursework in Intermediate Macroeconomics (Econ 100B), Statistics (Stat 20), Public Policy Economics (Econ 130) and upcoming Econometrics (Econ 140) with additional upper-division electives; pursuing a career in financial law through the study of economic policy, regulation, and governance.

De Anza Foothill College | 2023-2025

AA (Economics), AS (Business Administration)

GPA 3.95, Magna Cum Laude; coursework in Microeconomics, Macroeconomics, Statistics, Accounting, Business Law, Political Theory and International Relations, with strengths in quantitative analysis, financial decision-making, and policy evaluation.

WORK EXPERIENCE

De Anza Public Policy School | 2024 - 2025

Head of Legislative – FHDA Delegation, Sacramento Advocacy & Policy

- Coordinated trip logistics, including hotel bookings, meals and appointments with assembly members and senators.
- Led research efforts on legislators' expertise to align bills with the right candidates.
- Trained interns in lobbying strategy and legislative visit preparation.
- Successfully reorganized teams after last-minute staffing shortages (6 interns vs. 20 the prior year), ensuring all scheduled visits were covered; secured support from every legislator visited, including Assembly member Patrick Ahrens.

Foothill College | 2024 - 2025

Economics and Math tutor

- Provided one-on-one and group tutoring in calculus, statistics and economics, helping students improve exam performance and course grades.
- Designed custom problem sets and real-world examples to make abstract concepts like derivatives, probability and supply-demand analysis more accessible.
- Recognized for creating an interactive tutoring style that boosted both comprehension and confidence among diverse learners.
