RELEVANT EXPERIENCE

The Berkeley Group Berkeley, CA
On Running engagement - Strategy Consultant February 2026 - May 2026
• Benchmarked six global peers including Athleta, Gates Foundation and Nestlé to identify 3 governance frameworks and 10+ KPIs driving sustainability integration, translating findings into pathways tied to On's sustainability targets
• Co-designed a three-layer sustainability governance architecture spanning board-level accountability, corporate strategy integration, and operational execution, embedding ownership across each so sustainability is intended to be evaluated before commitments are made, rather than after

Alliad (formerly GCC Services) Dubai, U.A.E.
Project Intern June 2024
• Led a five-member team to design and present a $5,000 CSR proposal to senior leadership, recommending water filtration systems for underserved villages in Ivory Coast; projected impact for 1,000+ residents
• Screened candidate sites across Ivory Coast against local resource availability and population reach, then built the supporting cost analysis into a single recommendation

University of Pennsylvania Philadelphia, PA
Wharton Global Youth Program July 2023 - August 2023
• Built a DCF-based investment recommendation on Tesla using SWOT and ESG analysis, concluding its intrinsic value ($264.66/share) offered limited upside versus its market price ($260)
• Delivered the investment pitch to peers and instructors, walking through key assumptions, valuation drivers, and buy/sell recommendation

NBA Basketball School Dubai, U.A.E.
Assistant Coach January 2022 - July 2024
• Mentored 20+ younger athletes by providing individualized feedback and fostering confidence through consistent encouragement and skill-specific training; several students went on to make competitive teams or earn MVP honors
