PROFESSIONAL EXPERIENCE

Lumo | Retail AI Startup **San Francisco, CA**

Founder/CEO *May 2025 – Present*

- Engineered valuation frameworks and revenue models projecting $900M ARR across 30K+ stores; quantified $1.2B in inefficiency losses using retailer P&L data, shaping pricing strategy, forecasts, and investor-grade capital raise materials.
- Executed market sizing, ROI sensitivity analyses, and competitor benchmarking to validate growth strategy; developed investor memoranda with share projections and rollout scenarios that secured high-interest venture funding discussions.

Hale | Men's Skincare Company **Chicago, IL**

Growth & Product Intern *May 2025 – Present*

- Structured investor-facing GTM and profitability models calculating CAC payback, and contribution margins; delivered strategic insights that guided pre-seed fundraising, equity allocation, and acquisition channel prioritization decisions.
- Led channel-specific ROI analysis, market share modeling, and competitive positioning reviews to support expansion; produced funding-ready pitch decks with scenario analyses and financial comps to accelerate investor timelines.

Adobe | Multinational Software Company **San Jose, CA**

Strategy Consultant *Feb 2025 – May 2025*

- Directed market segmentation and competitive analysis to uncover whitespace worth $500M+, shaping Adobe's Gen Z go-to-market strategy across multiple product verticals, digital platforms, and targeted international geographies.
- Designed global retention framework from 400+ survey insights, behavioral analytics, and UX audits; implemented recommendations projected to lift active retention rates by 12% and expand lifetime value in high-growth segments.

QRX Corporation | IT Consulting Firm **Atlanta, GA**

Intern, Business Investment *January 2025 – June 2025*

- Applied predictive revenue modeling and segmentation analytics to identify whitespace opportunities and optimize client targeting, resulting in a 25% lift in qualified pipeline and improving GTM efficiency across QRX's enterprise portfolio.
- Led data-driven B2B growth initiatives across mid-market and enterprise segments; engineered outreach workflows that increased client lifetime value, drove a 35% YoY revenue uplift, and grew QRX's market position within IT verticals.

EXTRACURRICULAR & LEADERSHIP EXPERIENCE

SEO Career | Investment Banking Track **New York, NY**

SEO EDGE Participant *Jun 2025 – Present*

- Completed rigorous technical training in financial modeling, valuation, merger analysis, and capital markets; ranked top performer in selective national finance training program with applied transactions and real client simulations.
- Strengthened recruiting performance through coaching in behavioral interviews, market knowledge, networking strategy, and investment banking case preparation focused on analyst-level placement and long-term career development.

Berkeley Business Society | Consulting Club **Berkeley, CA**

Strategy Consultant *Jan 2025 – Present*

- Delivered actionable strategic insights and advisory services to Fortune 500 clients across diverse industries, driving over $300K in annual revenue through high-impact consulting engagements, and business transformation strategies.
- Conducted rigorous market research and competitive benchmarking analyses to generate data-backed strategic deliverables, offering customized recommendations, and growth frameworks aligned to clients' business objectives.

Beta Alpha Psi | Business Fraternity **Berkeley, CA**

Public Relations Chair *Sep 2024 – Present*

- Presented and thoroughly analyzed (11) detailed business and finance cases, pitched (3) compelling stocks with detailed supporting data, constructed (5) in-depth financial valuation models, and assessed market trends to refine strategies.
- Developed and implemented advanced financial valuation models, including Discounted Cash Flow (DCF), Comparable Company Analysis (CCA), and Leveraged Buyout (LBO) frameworks which enabled precise market assessments.
