PROFESSIONAL EXPERIENCE

San Marcos Educational Foundation | Nonprofit Educational Grantmaking Foundation **Jan 2022-Present**
Digital Strategy Associate *San Diego*

- Developed & regularly updated the official SMEF website by consulting on design, functionality, and content strategy, recently resulting in a 30% increase in engagement (based on Google Analytics)
- Shipped board-approved digital plan connecting campaigns to grants; supported $60K+ in annual distributions

Ad-Tech | IT Services and IT Consulting **July 2025-Aug 2025**
Market Research Analytics Intern *San Diego*

- Analyzed 25+ competitors on pricing, ICP, and feature gaps, delivering three strategic recommendations that directly shaped our AI Marketing Platform's product roadmap and marketing strategy to fill critical market gaps
- Synthesized customer pain points from 300+ surveys, informing market-ready positioning and value proposition

Salk Institute for Biological Studies | Research Institute **June 2024-Aug 2024**
Summer Intern *San Diego*

- Pioneered the application of Dimensional Data Analysis (DDA) to generate embeddings for computational neuroscience models using Julia, directly contributing to schizophrenia research with the Sejnowski lab
- Streamlined data prep and compute configs; reduced analysis runtime 15% vs. prior baseline

Real Dynamics | Microsoft Dynamics 365 Implementation & Advisory Firm **June 2023-Aug 2023**
Supply Chain Intern *Irvine*

- Developed advanced Excel/Dynamics capacity planning tool adopted by Sakata's U.S. supply chain team to standardize forecasts, improve resource allocation, and cut manual reconciliation time by 5 hrs/week
- Coordinated US/offshore deliverables (weekly standups, specs); aligned build with Ops constraints and go-live

LEADERSHIP EXPERIENCE

RYLA Rotary Program | Leadership Camp **April 2024-April 2025**
Participant + Alumni *San Diego*

- Selected from 1000+ applicants to attend leadership camp, then one of 12 alumni out of 200+ chosen to organize following year's program for 350+ students, teaching service leadership skills & fostering personal growth
- Organized and led a 4-day leadership camp, teaching leadership development, team-building, and ethical decision-making to high school juniors; collaborated with professional speakers and hosted all activities

Robotics For All Program | Equitable STEM Education Non-Profit **April 2020-Jan 2025**
Instructor *San Diego*

- Dedicated 100+ volunteer hours mentoring 50+ underrepresented students in Scratch, Python, and JavaScript
- Led 10-person team to standardize modules; boosted return-student participation by ~50% via attendance logs

Carlsbad Volunteer Leaders | Youth Community Engagement Program Internship **Jan 2024-May 2024**
Senior Leader *San Diego*

- Spearheaded youth civic engagement, collaborating with 10+ local nonprofits across housing, education, environment, and food security to organize volunteer events impacting 300+ community members
- Delivered youth-led policy recommendations to city council at monthly meetings, shaping 2 community initiatives
