EXPERIENCE

Ethos Investment Management **Aug. 2024 - Oct. 2024**
Investment Analysis Intern *Salt Lake City, Utah*
- Forecasted small-cap international stocks using 3 ML models, guiding investment decisions during volatile conditions
- Recommended 5 high-potential stocks by analyzing 200+ ESG/technical data points, influencing board-level decisions
- Co-developed a client-facing dashboard (via React and Firebase) for 20+ users, improving overall client engagement
- Hosted 2 social events for young investors in New York City in conjunction with the company board to attract talent

Stanford University Doerr School of Sustainability **Aug. 2023 - Jun. 2025**
Research Assistant *Stanford, California*
- Engineered lab and field tree vibrations with neural networks, improving detection of tree-infestations in forests by ~25%
- Built 2 geospatial dashboards of infestation severity, enabling prioritization across certain forests while highlighting data
- Identified relevant trends and insights in the domain of research via literature reviews, clarifying lab's plans for the future

Unison Social, Philadelphia, Pennsylvania **Mar. 2023 - May 2023**
Growth Intern *Philadelphia, Pennsylvania*
- Finalized sales funnel to improve marketing techniques, securing institutional clients such as Cambridge University
- Organized cold outreach among students, content creators, and universities, ultimately yielding ~30% growth in revenue

LEADERSHIP & COMMUNITY IMPACT

Young Investor's Society **Jul. 2024 – Jul. 2025**
Global President *Thousand Oaks, California*
- Revised a digital investing education course for 12,000+ high school students to expand financial literacy access globally
- Collaborated with Cornell and Bloomberg, organizing workshops for students across 2,500 schools for career readiness
- Served as sole student liaison to the board, voicing student and educator concerns while increasing corporate partnerships
- Formulated new marketing strategies through Instagram and LinkedIn, increasing digital reach to target audience by 55%

Foodflow **Jul. 2022 – Jun. 2025**
Executive Director *Edison, New Jersey*
- Partnered with 9 bakeries and restaurants to reduce surplus, preventing 30,000+ lbs of food waste across New Jersey
- Constructed a web application for businesses, using a k-means clustering approach to match donors with restaurants
- Associated with Bloomberg Philanthropies to receive additional funding for initiative, aiming to increase scope of impact
- Awarded a special Congressional Commendation after presenting project to US Representative Bonnie Watson Coleman
