- Bobcat Best Student Grant - $500 award for launching an inclusive community project
- National Honor Society/California Scholarship Federation - 4 years
- Biomedical Pathways (4-year PLTW Program)

Certifications: Certified Clinical Medical Assistant & CPR Certified

PROFESSIONAL EXPERIENCE

Clinical Research Assistant – Vestibular Disorders – UCSF Sharon Lab | Dec 2025-Present

- Contribute to the clinical development of a novel therapeutic for Meniere's disease aimed at preventing vertigo episodes
- Co-develop a smartphone-based diagnostic platform to capture and quantify nystagmus during real-world vertigo attacks, enabling remote, objective measurement outside the clinic
- Architect longitudinal symptom-tracking workflows to capture high-resolution, time-dependent patient data across episodic events (~8-hour attack windows)
- Develop and refine survey questionnaires assessing gaps in vestibular-disorder training among U.S. otolaryngology residents and neurotology fellows

Scripps Health Exploration Program – *Clinical Intern*, La Jolla, CA | June–July 2024

- Selected for a competitive clinical immersion program spanning five hospital departments (Surgery, ICU, Radiology, Laboratory, Rehabilitation)
- Worked directly with physicians, nurses, and technicians to evaluate patient flow, care delivery, and operational efficiency across units
- Consolidated cross-department insights into a strategic presentation delivered to the Scripps Health Executive Board

Scripps Hospital – *Volunteer, Labor & Delivery*, Encinitas, CA | June 2022–Aug 2025

- Supported postpartum recovery by assisting clinical staff and prioritizing patient comfort and dignity
- Maintained and optimized supply inventory to ensure readiness during high-volume admissions
- Assisted with patient intake and care coordination to improve unit efficiency and continuity of care

LEADERSHIP & EXTRACURRICULARS

Healthcare Business Association at Berkeley (HBAB) – *Corporate Relations Committee,* Berkeley, CA | Sept 2025–Present

- Conduct targeted outreach to biotech and healthcare professionals to secure speaker panel partners, connecting students to the intersection of healthcare, business, and innovation
- Manage communications with industry contacts for panels and networking events
- Support the execution of professional development and recruiting-focused events

Cal Track & Cross Country – *Student-Athlete*, Berkeley, CA | Aug 2025–Present

- NCAA Division I runner (800m, 1500m, & 6k); 5x CIF State qualifier & HS team captain

Beyond Limits Inclusivity Race – *Co-Founder*, Carlsbad, CA | July 2023–Present

- Organized a 1-mile community race promoting inclusivity for students with disabilities
- Partnered with 50+ high schools and worked with 85+ students for two consecutive years
- Worked with Special Olympics to create a national inclusive sports chapter in San Diego

1Must Nonprofit – *Executive Administrator & President*, San Diego, CA | Sept 2021–July 2025

- Tutored Somali refugee youth (aged 4-18) in mathematics and reading comprehension
- Provided unique educational opportunities to students: STEM labs, college advising, UCSD internships, sponsorships with Vessel bags, field trips, and summer camps
- Advocated for equitable access to education through hosting 5+ high school workshops
