MICHAEL CHERKASOV

Berkeley, CA • (747) 242-0028 • cherkasovmykhailo@gmail.com • LinkedIn

EDUCATION

University of California, Berkeley - Haas School of Business *Expected 2028*

Bachelor of Science in Business Administration | GPA: 3.86

EXPERIENCE

Project Hedgehog on Handshake AI *Jul 2026 - Present*

AI Evaluation Contractor

- Evaluate AI outputs across audio, visual, and text tasks using structured task guidelines.
- Review model responses for accuracy and quality and provide feedback used to improve AI performance.

AYE Koryo Lifestyle *Nov 2025 - Apr 2026*

Web Development & E-commerce Intern

- Built and launched 3 company websites for an early-stage startup.
- Developed and maintained the company's e-commerce storefront, including product pages, content, and digital assets.
- Collaborated with the startup team on digital operations and website improvements.

LA County Department of Children and Family Services (DCFS) *Mar 2025 - Apr 2026*

Youth Worker / Unit Clerk

- Managed confidential child welfare records and high-volume case documentation across county systems.
- Coordinated time-sensitive administrative workflows with social workers supporting Emergency Response and Children's Services.

PROJECTS

Automated Trading Script

AI-Assisted Python Development

- Built an automated trading script in Python with AI-assisted development and connected it to a trading platform through an API key.
- Worked through trading logic, API integration, testing, and debugging to automate execution based on predefined rules.
- Developed an understanding of the script's data flow and mechanics while iterating on the code with AI tools.

TECHNICAL SKILLS

AI & Automation: AI-assisted Python development, AI evaluation, API integration

Web & E-commerce: Shopify, Hostinger, Canva

Business Tools: Excel, Google Sheets, PowerPoint, Word
