EDUCATION

To Our Youth Private Limited **Singapore**
Co-founder & Chief Technical Officer *Apr 2023 – Present*

- Built a unit-economics model evaluating mall-by-mall profitability (rent, margin, foot traffic) to guide expansion decisions, scaling a bootstrapped photobooth venture to S$10K/month across 4 mall locations with 0 external capital
- Evaluated 25 prospective mall partners against footfall, lease terms, and margin potential; converted the highest-ROI site into the venture's first location through structured deal negotiation
- Directed product engineering, booth design, and retail deployment, overseeing manufacturer coordination, and technical troubleshooting across a multi-site operation
- Directed S$67K of venture proceeds into a philanthropic grant to support early-stage youth founders

HOO **Singapore**
Co-founder & Chief Technical Officer *Jul 2022 – Dec 2025*

- Raised S$119K in non-dilutive capital (S$69K accelerator seed + S$50K national grant), building financial projections alongside product development
- Took a smart water-conservation device from mock-up to manufacturable prototype across a Singapore–Germany–China engineering team, resolving tooling cost vs. lead time tradeoffs between design and manufacturing partners.
- Ran user testing and design-for-manufacture in parallel with the funding pipeline, sequencing technical proof points to unlock each tranche of capital.

LEADERSHIP

Hello World Foundation **Singapore**
Co-founder *Dec 2024 – Current*

- Secured S$127K in sponsorships for a youth-led NPO, coordinating deployment across a 93-member volunteer team
- Launched Hello World Fest, a 2-day flagship event reaching 1,200+ attendees, managing end-to-end execution
- Built cross-sector partnerships spanning private and public stakeholders, generating 40K+ social media impressions

Raffles Girls' School Lead **Singapore**
Executive Committee, Welfare Head *May 2022 – Jul 2023*

- Directed welfare programming for a 320-student house, redesigning the student feedback system to improve information flow and institutional responsiveness
- Managed end-to-end logistics for large-scale events (400+ attendees) including Orientation, Open House, Inter-House Games, Swim Carnival, and National Day
