- *Completed:* Intermediate Macroeconomics (Econ 101B), Data Science (Data C8), International Relations (PoliSci 5), Linear Algebra (Math 54), Multivariable Calculus (Math 53)

EXPERIENCE

National Labor Relations Board (NLRB), Intern - Oakland, CA (Dec 2024 - Aug 2025)

- Researched and synthesized legal precedents to support casework for federal labor law disputes under the supervision of the Region 32 Director.
- Assisted in the coordination of pro bono labor law work with Bay Area legal professionals.

Independent Research Project: Corporate Strategy & Investment Analysis of Guyana's Oil Boom (Summer 2025 - Present): https://sites.google.com/view/guyana-analysis-adityagupta/home

- Analyzed the corporate strategy and financial drivers behind Chevron's $53 billion acquisition of Hess Corporation, focusing on the valuation of the Stabroek Block asset.
- Developed an 11-component Tableau dashboard to visualize the asset's value accretion to corporate partners, analyzing comparative stock performance, production growth, and key financial metrics.
- Modeled the trajectory of Guyana's Natural Resource Fund to quantify sovereign risk, a key variable in the long-term investment thesis for the country's energy sector.

LEADERSHIP & VOLUNTEERING

Project RISHI - UC Berkeley Chapter (Feb 2025 - Present)

- Member of the Women's Health initiative, focused on designing sustainable medical and sanitation solutions for rural Indian villages.

ACEing Autism - Fairfax, VA (Dec 2022 - Apr 2024)

- Served as Vice-President of local chapter; ran weekly tennis sessions for groups of 10-15 children with autism, managing volunteers and designing adaptive drills.
