Bay Area/San Francisco, CA | P: +1-925-381-3019| nsillin@icloud.com | Linkedin: nathan-sillin

## EDUCATION

**University of California, Berkeley** — Berkeley, CA
B.A. in Economics; Certificate in Accounting (30 units) — Expected May 2026
Cumulative GPA: 3.75; Major GPA: 3.79
Relevant Coursework: Financial Accounting Series (I-IV), Managerial Accounting, Intro to Finance, Corporate Finance, Investments, Financial Statement Modeling, Financial Economics, Financial Information Analysis, Income Tax Accounting, Macroeconomics, Microeconomics, Econometrics, Money and Banking, Public Policy Economics

## WORK EXPERIENCE

**Ernst & Young (EY)** — San Francisco, CA
Audit Intern — June 2025 – Present

- Updated walkthroughs and control documentation for FMV, Cost to Obtain Contract, and Solar Renewable Energy Certificate processes, improving placemats to capture control objectives and evidence to support audit planning.
- Performed sampling for IPE testing on PP&E balances to support the valuation assertion, tracing items to source reports, documenting any exceptions, and sharing observations with seniors to confirm control design effectiveness.
- Assisted in updating controls and walkthrough support by recording detailed notes during Stage 1 and Stage 2 client meetings, contributing to improving control descriptions, placemats, and sample documentation.

**Solar Union** — San Francisco, CA
M&A Analyst — May 2025 – August 2025

- Executed internal sell-side M&A transaction for a Bay Area solar company, including full valuation (DCF, trading comps, transaction comps), due diligence, and helping identify lender partners to finance the acquisition.
- Built a proprietary database of 10,000+ potential strategic and financial acquirers using Python, mapping vertical and horizontal integration opportunities across solar, electrification, roofing, HVAC, and energy tech sectors.
- Performed end-to-end buyer outreach and marketing execution; authored the teaser, prepared a detailed CIM, and created a dynamic investor presentation used to engage acquirers during virtual roadshows and diligence.

**Weatherstone Capital Partners** — San Francisco, CA
Search Fund Analyst — March 2025 – June 2025

- Conducted comprehensive industry research to identify market trends, competitive dynamics, growth opportunities, and areas for strategic investment, directly influencing acquisition strategy and informed decision-making processes.
- Assisted with deal sourcing and evaluation projects by creating detailed reports, conducting in-depth analyses, and delivering professional presentations, substantially improving strategic decision-making for senior leadership.

**Volunteer Income Tax Assistance (VITA) Program** — Berkeley, CA
Income Tax Preparer — August 2024 – May 2025

- Prepared accurate tax returns for low-income taxpayers, leveraging IRS VITA certification and advanced tax-software expertise to minimize liabilities and maximize well-deserved refunds through rigorous quality reviews.
- Guided clients through income, deduction, and credit documentation, translating complex tax rules into plain language, ensuring compliance with IRS standards and fostering long-term financial confidence in underserved communities.

**DSS & Co. LLP** — Walnut Creek, CA
Accounting Intern — May 2024 – July 2024

- Managed bookkeeping and payroll accounting for eight small business clients utilizing Microsoft Excel and QuickBooks Desktop software, ensuring accurate financial recordkeeping and compliance with reporting standards.
- Processed cash receipts from point-of-sale reports, recorded accounts payable, maintained cash receipt and disbursement records, performed daily bank reconciliations, and reviewed comprehensive month-end financial reports.
