EDUCATION

University of California, Berkeley - GPA: 3.9 August 2025- May 2028
Economics

Harrow International School, Hong Kong August 2023 - June 2025

WORK EXPERIENCE

Carrett Private Capital **Hong Kong**
Investment Research Intern June 2026 - July 2026

- Delivered comprehensive financial research and strategic **market analysis across 4 key sectors** (technology, defense, fixed income, and commodities), **synthesizing data from over 50+ market reports** to identify actionable investment funds and growth opportunities.
- Navigated the entire **investment research lifecycle for 3+ prospective funds**, translating proactive daily market tracking and comprehensive due diligence into **3 finalized client portfolios and tailored asset allocation pitch decks** presented directly to senior leadership.
- **Developed and maintained robust financial models** in Excel to evaluate historical fund and equity performance and forecast growth, streamlining complex data workflows and improving team reporting efficiency for senior decision-makers by 20%.

China International Capital Corporation **Hong Kong**
High School Intern / Shadow July 2024

- **Analyzed real-time data streams for 3+ asset classes** (bonds, forex, commodities) to identify basic market trends, **interpreting key economic indicators** like interest rates and inflation to construct a comprehensive foundational understanding of macroeconomic drivers.
- Reviewed research on quantitative trading models to understand their core assumptions, **critically evaluating the mathematical frameworks behind momentum and mean-reversion strategies while** gaining insight into the role of data science and statistics in modern finance.
- Shadowed senior professionals for **80+ hours** across **5 different departments**, observing high-volume trade executions while synthesizing complex concepts on market dynamics to build a robust framework for a future career in finance.

Hong Kong Polytechnic University **Hong Kong**
Research Assistant August 2024

- Validated the **translation accuracy of 5 distinct languages** against primary sources **by meticulously cross-referencing historical archives and legislative records**, identifying and correcting inconsistencies **to ensure 100% data integrity** for the research team.
- Synthesized qualitative **data from 20+ primary sources** into a comprehensive summary report **by categorizing thematic trends and extracting critical evidentiary support**, directly supporting the lead researcher's thesis formulation and final publication.

LEADERSHIP & INVOLVEMENT

Dana Street Consulting **Berkeley, CA**
Consultant and Project Manager January 2026 – Present

- **Selected as 1 of 20 consultants** for a highly competitive UC Berkeley organization (< 10% acceptance rate), **delivering data-driven strategies** and actionable insights for startups and Fortune 500 corporate partners, **driving measurable and sustainable business growth**.
- **Toyota Client Engagement (Jan 2026 – Jun 2026):** Partnered with a **7-person** cross-functional team to execute an end-to-end website redesign for Toyota, translating user research from **50+** stakeholders into **8** strategic wireframes and a finalized digital product.
- **PwC Engagement (Upcoming Aug 2026 – Dec 2026):** Selected to be a Project Manager and collaborate with PwC leadership **to formulate strategic AI adoption** frameworks across **multiple enterprise operations**, targeting automated workflows and enhanced client deliverables.

Entrepreneurship and Innovation Society **Harrow International School, Hong Kong**
Vice President of Operations August 2023 - May 2025

- Evaluated and provided critical feedback on **10+ student startup pitches** during an inter-school "Shark Tank" competition, rigorously analyzing financial projections and scalability potential to **successfully identify viable business models** and opportunities for investment.
- Mentored a cohort of **5+ student-led ventures** by facilitating comprehensive workshops on business model canvassing and pitch deck development, fostering entrepreneurial skills that directly contributed to the **successful formation and launch of 2 new startup** teams.
- Researched and authored **3+ long-form articles on complex economic topics**, including AI's disruptive impact on the labor market and the long-term effects of the 2008 financial crisis, **simplifying technical concepts to educate a diverse student readership**.

Tutors for a Change **The Mountain Children Home Nepal**
Teacher of English and Mathematics August 2023 – May 2025

- **Virtually Led** a targeted educational initiative for underprivileged youths, leveraging cultural immersion and gamified learning techniques to bridge communication barriers and secure a **58% increase** in classroom attendance.
- Synthesized qualitative data **from 20+ primary sources** into a comprehensive summary report by **categorizing thematic trends** and extracting critical evidentiary support, directly **supporting the lead researcher's** thesis formulation and final publication.
