ninazhang@berkeley.edu | (631) 464-8585 | East Setauket, NY

EDUCATION

University of California, Berkeley — **Berkeley, CA**
B.A. in Economics and Data Science — Expected May 2028

- **Cumulative GPA**: 3.72 / 4.00
- **Relevant Coursework**: Econometrics, Macroeconomics, Statistics & Probability, Calculus
- **Awards & Activities**: ClimateScience Olympiad Finalist & Bronze Prize Winner (top 50 of 50,600 participants)

PROFESSIONAL EXPERIENCE

Concord Ventures — **Bellevue, WA**
Investment Banking Fall Analyst Intern — Aug 2025 – Present

- Supported an aerospace and defense sell-side M&A transaction for a target with $13M EBITDA, identifying potential strategic buyers and private equity investors, and preparing outreach emails and marketing materials
- Participated in internal deal team discussions, contributing analysis of industry themes and buyer landscapes to identify strategic growth opportunities and support senior bankers during high-level client meetings

Integrus Partners — **Dallas, TX**
Investment Banking Analyst Intern — Jul 2025 – Present

- Built deal pipelines by scrubbing and organizing data on healthcare and residential services companies, applying filtering criteria such as credit ratings and ownership structures to ensure accuracy and assess acquisition suitability
- Conducted market research on healthcare subsectors including physician groups, outpatient care centers, and specialty practices, preparing industry landscapes and competitor benchmarking to support client materials

U.S. Youth Advisory Council — **New York, NY**
New York Representative — Nov 2023 – May 2024

- Served as one of two New York state representatives on the U.S. Youth Advisory Council's Policy Working Group, actively collaborating with peers from all 50 states on legislative bill research and congressional outreach
- Presented five climate justice bills to lawmakers on Capitol Hill during Hill Day, advocating for meaningful federal policy change through direct engagement with congressmen, legislative staff, and advocacy organizations

Brookhaven National Laboratory — **Upton, NY**
Research Intern — Jul 2022 – Aug 2022

- Completed and presented research project, "*Assessment of Extract Efficiency for Bioactive Flavonoids from Transgenic Poplar*" to department leaders at Brookhaven National Laboratory's virtual symposium
- Performed bioinformatics analysis using Excel and R to evaluate extract efficiency of bioactive flavonoids; synthesized large-scale datasets to support genetic optimization in transgenic poplar trees

LEADERSHIP EXPRIENCE

Ocean Busters — **New York, NY**
Executive Director — Apr 2023 – Mar 2024

- Directed global operations of an international nonprofit focused on ocean preservation, overseeing awareness campaigns, strategic partnerships, and cross-border communications to advance marine conservation goals
- Led 9 teams comprising 90+ youth members from 13+ countries to promote ocean justice through education, advocacy, community outreach, policy engagement, and digital media initiatives across diverse global regions

Seiskaya Ballet — **New York, NY**
Principal Dancer — Jan 2010 – May 2024

- Pre-professionally trained in Vaganova ballet for 14+ years; performed as Sugar Plum Fairy in *The Nutcracker* and as principal dancer in annual fundraising performances at the Staller Center for the Arts in Long Island, NY
- Served as a teaching assistant during rehearsals for younger students; supported instructors in facilitating choreography, demonstrating techniques, and providing guidance to improve performance and stage readiness
