EDUCATION

Napa Valley College **GPA: 4.0**
Major: Applied Mathematics
Dual Enrollment in High School / Full-Time Enrollment *Feb 2019 - May 2025*
City College of San Francisco **GPA: 4.0**
Major: Data Science
Part-Time Enrollment *Jan 2023 - May 2025*

WORK/RESEARCH EXPERIENCE

Dwight David Eisenhower Transportation Fellowship **Washington D.C.**
Dwight David Eisenhower Foundation *October 2024 - Current*

- An annual program where students are asked to select a research topic regarding transportation and data collection
- This was my second year participating and this year I focused research on sustainability in regarding public transportation with the growth of electric-powered vehicles
- Presented and participated in the Transportation Research Board Annual Meeting

Napa Valley MESA Program **Napa Valley, CA**
Napa Valley MESA *Jan 2024 - May 2024*

- Internship hosted by Mesa Program at Napa Valley College. This project is an introduction to students to the field of Particle physics
- We observed the motion of particles such as electrons, muons, gamma rays, and neutrons; by measuring the lifetime of muons.
- Aim to build a simple apparatus to observe particle tracks firsthand. Students will also analyze real data from the Cosmic Ray e-lab to measure the lifetime of a muon.

Fire, Climate, Vegetation, and the Carbon Cycle in ModelE **Virtual**
NASA/Center for Climate Systems Research, Columbia University *January 2024- May 2024*

- Compiling and analyzing observational data sets and analyzing simulations of coupled climate-carbon-fire dynamics in the NASA GISS ModelE.
- Conducted comparisons with field observations and/or satellite retrievals, including statistical and climatological analysis.

Dwight David Eisenhower Transportation Fellowship **Washington D.C.**
Dwight David Eisenhower Foundation *October 2023 - January 2024*

- An annual program where students are asked to select a research topic regarding transportation and data collection
- This was my first year participating and focused research on sustainable and effective alternatives regarding public transportation
- Fellows will participate in the Transportation Research Board Annual Meeting where they share their research with other students across the nation

California Climate Action Corps **San Jose, CA**
San Jose Conservation Corps *June 2023 - Aug 2023*

- As a part of California's comprehensive strategy to address the climate crisis
- Contacted corporations, such as Google, Adobe, Apple, etc., regarding workshops in Climate Action Education
- Conducted Research regarding legal aspects of bringing volunteers on site, in charge of community outreach

Napa Valley MESA Program **Napa Valley, CA**
Napa Valley MESA *Jan 2023 - May 2023*

- Internship hosted by Mesa Program at Napa Valley College. This project aims to create a functioning cryptographic system by exploring the modern methods of Elliptic Curves.
- Students explored the mathematical background of elliptic curves and created their Python-based program that can be used to encrypt and decrypt a message

10,000 Degrees **San Rafael, CA**
Bank of America Student Leader Internship @ 10,000 Degrees *May 2022 - August 2022*

- One of two students selected for a highly competitive Bank of America North Bay internship because of professional drive and commitment to the community. Experience included participation in a national Student Leadership Summit hosted by Bank of America and gaining practical work and life experience.
- Worked on six research projects, within 2 months, and presented findings to leadership at the culmination event.

LEADERSHIP EXPERIENCE

Student Government at Napa Valley College **Napa Valley College, CA**
President of ASNVC *October 2022 - Present*

- Led the student body government at Napa Valley College, alongside being the student body's voice and a member of the board of trustees.

ACLU Nation Advocacy Institute **Virtual**
Intern / Youth Leader *July 2021- August 2021*

- A nationwide program meant for students who have shown leadership and interest in advocacy
- Engaged directly with ACLU lawyers, community activists, lobbyists, and other experts working to defend the civil rights and civil liberties critical to a free and open society

AMEMSA Alliance **Virtual**
Networking Director / Podcast Director *October 2021- December 2022*

- Host, writer, and director of a podcast under the AMEMSA Alliance. Focused on issues in the Middle Eastern, Muslim, and Arab communities while discussing the latest trends and social issues.
- Managed the Instagram page for the Alliance and contacted other non-profits that might collaborate.

AWARDS

Napa Valley College Scholarship Foundation **May 2023- May 2024**

- Recipient of multiple scholarships given by the Napa Valley College Scholarship Foundation, which rewards scholarships that have gone above and beyond in the classroom and college community

Violet Richardson Award **March 2022**

- Named after the founder of Soroptimist International as a way to commemorate her legacy. Given to a high school female who has shown great dedication to the community.

SKILLS

Fluent in Punjabi and Hindi| Proficiency in Excel, Word, Outlook
