Education

University of California, Berkeley — **Expected December 2027**
Bachelor of Economics — *Berkeley, CA*

Gretchen Whitney High School — **May 2025**
High School Diploma - Valedictorian, GPA 4.0/4.0 — *Cerritos, CA*

Experience

- **KWUClothing Business** — **August 2023 - Present**
  - Optimized an e-commerce storefront (product pages, merchandising, and checkout flow) to improve purchase clarity and overall customer experience.
  - Generated $30K in revenue across Instagram, eBay, Grailed, OfferUp, Facebook Marketplace, and online orders.
  - Created a Google spreadsheet system to track inventory, sales, profit margins, and product demand.
  - Implemented sorting/tagging systems to monitor physical inventory and reduce stock errors.
  - Trained a 5-person team to conduct GOAT/StockX market research to find competitive prices and shape sales strategy.

- **XSET Media Team** — **August 2024 - August 2025**
  - Organized community scrims and tournaments for XSET's community (13K+ members).
  - Edited and produced short-form content for XSET creators, contributing to millions of total views across platforms.
  - Wrote weekly newsletters and social media reports to brief the CEO/marketing team on eSports trends.
  - Researched and profiled 200+ target clients to build a qualified partnership & collaboration pipeline.

- **Luel Intern (YC W26)** — **January 2026 - Present**
  - Built a Sheets-based CRM for 300+ client/creator records, standardizing contact fields, segmentation, and outreach-ready views.
  - Conducting independent research on speech emotion recognition (SER): reviewing literature, comparing model approaches, and identifying dataset/labeling and evaluation pitfalls.

- **Manager of XPLeague, Irvine** — **February 2024 - July 2025**
  - Spearheaded a multi-year program featuring monthly guest speakers, eSports masterclasses, and review sessions.
  - Managed Discord channels and an in-person eSports center serving 100+ members.
  - Educated customers on potential XPLeague pathways, including eSport collegiate scholarship routes, professional content creation, and broader career options.
  - Held bi-weekly meetings with staff to review program growth, budget allocation, and upcoming promotional events.

- **Professional Fortnite Player** — **January 2020 - Present**
  - Ranked #19/1M+ in North America and held rank #1 for two weeks.
  - Earned ~$50K through tournaments and secured sponsorships (e.g., Liquid Death, Ghost Energy).
  - Grew a cross-platform brand via live streams and short-form content on Instagram, Twitch, YouTube, and X.
  - Won $20K for the Cure Blindness charity at Streamer Bowl II (Twitch Rivals).

- **eSports Coach** — **November 2023 - Present**
  - Coached multiple teams and ten 1:1 clients using tailored practice plans and workshops.
  - Mentored players on gameplay, teamwork, and professionalism, helping 15+ students qualify for national-level tournaments (e.g., DreamHack, XPLeague NAF).

- **Salomon Business Summit** — **July 2024**
  - Proposed solutions to address slowed growth, weak winter sales, and vendor delivery/quality issues at Salomon.
  - Met with the head marketing team and analyzed their marketing strategy of blending everyday convenience with fashion.

- **Web3 Product Builder (Solana / Next.js)** — **May 2024 - Present**
  - Built and shipped 10+ cryptocurrency-based web apps/tools end-to-end using Next.js + TypeScript.
  - Integrated Supabase for auth + data storage and built API-backed dashboards for real-time updates.
