- **Academic Programs**: LBW at Wharton, LaunchX Entrepreneurship at MIT, Managerial Accounting & Financial Control at LSE

PROFESSIONAL EXPERIENCE

Proconnect — **Arcadia, CA**
Founder — *April 2022 - Present*

- Founded an online coaching platform connecting amateur tennis players with ATP-ranked professionals (Top 300–600) through tiered training plans; enabled players to submit videos and receive personalized feedback from professional coaches
- Conducted market research on the coaching landscape and ATP player pool; surveyed 300+ players at local courts to assess market supply and demand, customer willingness to pay, adoption likelihood, and product-market fit and pricing strategy
- Generated $8,000+ in revenue and secured sponsorships from YouTubers Simon Freund and Grisha Kuklin (Gladiator Tribe)

East West Bank — **Pasadena, CA**
Commercial Banking Intern — *November 2024 - February 2025*

- Shadowed daily operations at a commercial bank serving small-business clients under an apprenticeship model; gained hands-on exposure to loan processing, risk assessment, and client engagement, and summarized key takeaways from meetings

Student Researcher (Advised by Mr. Andrew Pan, MD of China Relations) — *June 2024 - July 2024*

- Published a 7-page research on Internet finance's dual role in promoting inclusivity and introducing credit risks in *Proceedings of Business and Economic Studies* (Vol. 7, No. 3, 2024), proposing strategies for balanced financial growth

CollegeDoctor, LLC — **Temple City, CA**
Tutor — *March 2023 - November 2024*

- Delivered 200+ hours of personalized math tutoring for a 7th grader, designing study plans, custom quizzes, and take-home practice sets that boosted test scores by 25% and improved comprehension of factoring, linear equations, and polynomials
- Cultivated effective study habits in the student by implementing timeboxing techniques, behavioral conditioning, and focus sessions

Maxtacs Inc. — **Rancho Cucamonga, CA**
Sales Intern — *July 2024 - September 2024*

- Drove client acquisition for a tactical gear manufacturer at the Las Vegas SHOT Show by demonstrating new products to prospective clients and generating qualified leads for senior management follow-ups, securing 500+ mailing list subscribers and 30+ new orders
- Collaborated with a team of six to coordinate two booth setups, manage logistics, and handle post-show activities at the SHOT Show, ensuring smooth operations, maximizing brand visibility, and driving high foot traffic

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Franklin Foundation — **Temple City, CA**
Founder & Branch Leader — *August 2021 - Present*

- Founded a branch supporting families with autism, building a team of 30+ trained volunteers and serving over 100 families
- Scaled the branch by launching a digital outreach campaign that boosted fundraising, volunteer applications, and community reach
- Recognized with a Certificate of Congressional Recognition, Foundation Leader of the Year Award, and Presidential Service Awards

Science Olympiad Team at Loyola High School — **Los Angeles, CA**
President & Captain — *September 2022 - Present*

- Led a 30+ member team in competitive STEM tournaments; created personalized training plans to optimize team performance
- Directed weekly meetings and skill workshops, improving team collaboration and tournament readiness

Podcast: Finance, Economics, & Politics — **Arcadia, CA**
Founder & Lead Host — *March 2022 - September 2024*

- Produced and hosted an economic podcast on U.S. markets, macro trends, and economic policy insights; grew audience 100x to 1.6K+ through curated content and expert commentaries
- Oversaw content strategy, production, and marketing, aligning episodes with global financial developments and listener interest
