# Kevin Parra

Berkeley, CA
510-570-5580 | kevinp@berkeley.edu

## EDUCATION

**University of California, Berkeley** **Berkeley, California**
*Bachelor of Arts in Economics & Applied Mathematics* May 2029

- GPA: N/A
- Relevant coursework: Microeconomics, Macroeconomics, Calculus 1 &2 , Statistics, Spanish Language

## WORK & LEADERSHIP EXPERIENCE

**Oakland Chinatown Improvement Council** **Oakland, California**
*Intern* June 2024–July 2024

- Created and shared TikTok marketing videos for local businesses around the area
- Conducted street condition audits and compiled reports to present to the Council
- Developed a presentation to present in front of the board of directors about ways to solve the issues present in Oakland Chinatown
- Drafted a business plan identifying needs like sanitation, graffiti removal, and small business support

**San Leandro Youth Advisory Commission** **San Leandro, California**
*Commission Member* October 2024–June 2025

- Advised City Council by providing youth perspectives on key issues in San Leandro
- Attended bi-weekly meetings to raise awareness of the effects of public policy that affect the youth
- Organized and volunteered at events in the city

**San Leandro Food Pantry** **San Leandro, California**
*Volunteer* March 2023–March 2025

- Assisted volunteers by setting up tables at the start of the shift and take charge of other volunteers' tables if they were on break
- Helped organize food distribution and set up food at tables for clients
- Ensured clients received food quickly and restock items as needed

## PROJECTS

**Mock Business Project** October 2023-May 2024
Developed a hypothetical business model for a tutoring company in my business economics course. Conceptualized a tutoring company service that tailored to the needs of every student by offering different packages and price points for each client. During the project, I applied key concepts learned from the course, such as market research, data collection, placement strategy, and financial analysis.
