Relevant Coursework: Structure and Interpretation of Computer Programs (CS 61A, in progress), Foundations of Data Science (DATA C8), Multivariable Calculus (MATH 53, in progress), Linear Algebra and Differential Equations (MATH 54), Calculus I-II (MATH 51-52)

Aitchison College — **Lahore, Pakistan**
High School Diploma | GPA: 3.9/4.0 — *June 2025*
Coursework: Mathematics, Physics, History, and Economics

PROFESSIONAL EXPERIENCE

SEAB x Clearwater Credit Union — **Berkeley, California**
Consultant — *February - April 2026*
- Benchmarked net-zero balance-sheet strategies across U.S. and international financial institutions, identifying implementation challenges and approaches relevant to Clearwater Credit Union.
- Analyzed financed-emissions methodologies, including portfolio scope, borrower data, attribution factors, and loan-level emissions aggregation.
- Synthesized research into a Clearwater-specific playbook with recommended pathways and a phased implementation roadmap.

Avari Hotel — **Lahore, Pakistan**
Operations Intern — *August 2024*
- Reduced daily food waste by 12% through operational process improvements.
- Implemented low-flow fixtures and linen-reuse programs across 50+ guest rooms, contributing to a 15% decrease in water consumption.
- Trained 30+ kitchen and laundry staff on efficiency techniques, including improved dish scraping, contributing to an 18% reduction in water waste.
- Assessed smart water monitoring and sensor-tap options with Operations, translating sustainability findings into long-term recommendations.

LaunchX - University of Michigan — **Ann Arbor, Michigan**
Entrepreneurship Summer Program — *July 2024*
- Co-founded a sustainable cycling-apparel concept for commuting cyclists and worked with an international team across product, finance, and marketing.
- Conducted 300+ customer surveys and iterated prototypes to improve safety, comfort, and product-market fit.
- Sourced environmentally responsible fabric, planned an initial 50-unit production run, and presented the business model at Demo Day.

Lahore School of Economics — **Lahore, Pakistan**
Media Economics Researcher — *June 2024*
- Reviewed 30+ studies and interviews with Dr. Ayesha Waqar to evaluate public-funding models for accurate and sustainable news reporting.
- Synthesized findings into a research paper and policy recommendations connecting economics, media incentives, and public welfare.

HUM Clothing — **Lahore, Pakistan**
Founder and Chief Executive Officer — *January 2024*
- Coordinated suppliers and tailors to produce 55 garments from repurposed denim while managing design, production, pricing, and distribution.
- Led a five-person team and generated PKR 97.5K in revenue through an independently developed clothing line.

LEADERSHIP EXPERIENCE

Aitchison College Economics Society — **Lahore, Pakistan**
President — *June 2024 - June 2025*
- Directed 24 lectures and competitions with 100+ participants each, published two magazine editions, and led the society to a state-level TESCON victory.

Girls4Girls — **Pakistan**
Program Development Coordinator and Fundraising Manager
- Led a seven-person team that raised PKR 500K to equip 40 Baloch women with second-hand laptops and an eight-subject curriculum.
- Engaged the Minister of Education to advocate for additional merit seats in Punjab for young Balochi women.

Seeds of Peace — **Otisfield, Maine**
Pakistani Delegate — *July - August 2023*
- Selected as one of 20 Pakistani delegates from 500+ applicants for an international conflict-resolution and leadership program.
- Participated in facilitated dialogue with peers from India, the U.S., Israel, Palestine, Egypt, and Jordan on identity, social justice, and conflict.
