Research

Stanford University (Institute for Research in the Social Sciences) — *Economics Research Assistant*
Fall 2025 - Spring 2026

- Analyzed data on 450+ companies to study how workers' political leanings relate to corporate misconduct and employment outcomes
- Researched public records and news coverage to build and validate case-level datasets supporting ongoing labor economics research

CSU East Bay — *HR & Labor Economics Research*
Apr 2025 - March 2026

- Began by editing a book manuscript and building a LaTeX bibliography; advanced to co-authoring a 15-page research paper (in progress)
- Researched how the compa-ratio metric can better measure pay equity and employee retention across organizational levels
- Findings (Case Study) were integrated into the professor's graduate-level course at the University of Chicago

Research Intern — *Education, Technology, & Society Research*
Research Intern
Summer 2024
- Researched technology's effect on youth, focusing on social-media addiction; interviewed 5+ families on digital habits and responsible tech use
- Presented research findings under a Stanford professor on how technology can support community well-being

---

Leadership @ Foothill College (Sophomore Transfer, 3.98 GPA)

Outreach Officer — Foothill Consulting Club
Fall 2025 - Spring 2026

- Reached out to 75+ local businesses to source industry exposure for 15 members
- Hosted a Deloitte guest speaker and Q&A for ~20 members to gain insight into a career in consulting

In-Person Marketing Director — Business & Entrepreneurship Club at Foothill College
Fall 2025 - Spring 2026

- Posted 20+ flyers and engaged 70+ students through tabling and direct outreach to grow club visibility
- Provided logistics support for a 100+ person Google Case Competition final-round event

Co-Director of Marketing — Data Science & AI Club
Fall 2025 - Spring 2026

- Managed Instagram outreach and promoted DS/AI workshops to boost event participation

---

Projects

PayoffPal — *Founder & Developer*
Fall 2025 - Present

- Built and launched a loan-payoff planning tool that personalizes repayment timelines from income, expense, and debt inputs
- Contacted 1,000+ community-college financial aid offices; grew to 2,500+ impressions
- Collaborated with 4 tech professionals and iterated on their feedback to improve UX and expand features

---

Community

Junior Youth Spiritual Empowerment Program — *Mentor*
Fall 2025 - Winter 2025

- After six years as a program participant, advanced to mentoring a group of tweens on moral, spiritual, and community values; 3 hr/week sustained commitment year-round
- Plans weekly discussions and team-building activities, guiding youth in applying principles of honest work, service, and compassion in daily life

Indian Classical Music
- Indian classical sitar & vocal — 13+ years of training across 4 teachers. Perform several times yearly for local and international audiences, including a 150-person music festival (9/2025).
- Assisted in leading ~10 students (in small clusters) to learn and develop their musical skills and learn pieces this summer

---
