WORK EXPERIENCE

Presidio Bay Ventures San Francisco, CA
Real Estate Development Scholar Summer 2025

- Selected for a competitive 5-week program focused on all phases of commercial real estate development.
- Conducted market research on neighborhood demographics and analyzed zoning regulations to inform development decisions.
- Built and analyzed real estate proformas to assess project feasibility and financial returns.
- Designed and presented an original mixed-use development proposal to a panel of industry professionals.
- Collaborated with peers and mentors across development, finance, architecture, and sustainability disciplines.

University of California, San Francisco San Francisco, CA
HealthLink Intern October 2024 – May 2025

- Conducted data collection and analysis to develop effective outreach strategies for enhancing future program engagement.
- Worked alongside a team to provide key insights and event recaps, helping increase awareness and program engagement in HealthLink's Mission.
- Independently design surveys to collect feedback from mentees and mentors, guiding the development of future workshops.

LEADERSHIP & INVOLVEMENT

Latino Business Student Association Berkeley, CA
External Affairs Intern February 2025 – May 2025

- Organized and co-hosted monthly workshops with top firms such as Accenture and KPMG, providing valuable learning experiences for participants.
- Proactively reached out to companies to secure new sponsorships, increasing club revenues and expanding networking opportunities.

Central Americans For Empowerment Berkeley, CA
Community Development Intern September 2024 – December 2024

- Created and managed budgets to track committee expenses.
- Organized on-campus events and workshops to foster community among Central American students.
- Assist in the setup and breakdown of fundraising events.
