EDUCATION

University of California, Berkeley
- *College of Letters and Sciences:* B.A. in Economics **2029**
- *Relevant Coursework:* Theorizing Capitalism and Real Estate Investing

Glenbrook South (High School) **2025**
- *Honors:* John Locke Essay Finalist and Harvard IR Style Award
- *Relevant Coursework:* Accounting, AP Macro/Micro, and Policy Debate

PROFESSIONAL EXPERIENCE

Golden Hand, *Data Associate,* Berkeley, CA **August 2025 - Present**
- Spearheaded research efforts related to YEA community (El Cerritos & Emery High) and Environmental Justice Initiatives, facilitating seamless deployment and management of automated dashboards
- Played a key role in addressing attendance vulnerabilities in YEA, reducing workshop absences through diligent analysis of 5 student-based metrics
- Developed Excel interactive survey to communicate post-program impact to Golden Hand executives given set of inputs, such as free versus reduced lunch price category

Government Finance Research Center, *Research Intern,* Chicago, IL **July 2024 - August 2024**
- Curated boil disruption data from 600+ Southern and Eastern Municipalities in a commissioned water rate study for the Illinois General Assembly as part of a policy recommendation
- Analyzed 300+ Facebook & Local posts/pages as part of a perception survey, improving data flow and transmission
- Developed regulatory framework foundation for potential municipal growth with a group of professors and graduates

LEADERSHIP EXPERIENCE

Debate Team, *Co-Captain,* Glenview, IL **August 2022 - June 2025**
- Promoted growth and culture at the club, organizing a 10+ student and coach lunch at the UMich policy debate camp each summer
- Coordinated weekly training sessions to develop novices' argument refinement, assisting with file composition and increasing alignment
- Traveled around the country to compete against other teams, competing at the UMich National Finals and IL State Quarterfinals Tournament

Math Team, *Oralist,* Glenview, IL **August 2021 – June 2025**
- Collaborated with a partner cross-functionally to present live mathematical explanations to 4+ teacher panelist, focusing on topics like combinatorics and game theory
- Led paper distribution and oversight over a Jr. Math Contest (40+ people), optimizing mathletes' focus and efficiency
- Revamped team culture by encouraging collective instead of individual problem-solving

KDP Publishers, *Author,* Remote **January 2023 - June 2024**
- Wrote and designed a 25+ page book (*Gateway to Econophysics)* aimed at exposing high-school students and adolescents to the intersection of science, business cycle, and human behavior
- Contacted 30+ professors from international universities to garner expert level content, turning it into an impactful framework for the book
- Featured on *Chicago Tribune*
