PROFESSIONAL SUMMARY

UC Berkeley Economics student with 2+ years of Wealth Management experience, including client advisory and financial analysis. Seeking internship roles in investment banking and consulting to apply financial modeling, evaluation, and client-facing skills.

EDUCATION

University of California, Berkeley **Berkeley, CA**
Bachelor of Arts in Economics *Class of 2028*

- Cumulative GPA: 3.7/4.0
- Relevant Coursework: Financial Accounting, Managerial Accounting, Microeconomic Theory, Macroeconomic Theory, Calculus I & II, Statistics.

LICENSES

- Series 7 & Series 66

WORK EXPERIENCE

Fidelity Investments **Roseville, CA**
Investment Solutions Representative *December 2023-January 2025*

- Ran Monte Carlo simulation models using Fidelity's proprietary platform to project client assets, cash flows, and retirement outcomes in varying market scenarios.
- Advised 12-17 current and new clients daily, with investible accounts of ~$150k on investment strategy, aligning their risk tolerance, time horizon, and financial objectives into suitable asset allocation recommendations.
- Executed asset transfers, new account openings, and rollovers, coordinating across custodians and internal groups to close transactions accurately and on schedule.

Equitable Advisors **Folsom, CA**
Financial Advisor *October 2022-December 2023*

- Developed comprehensive financial plans for clients with assets ranging from $250K to $3M, leveraging tools like Asset Map, Excel, and eMoney to analyze income projections for retirement, major purchase goals, and risk management strategies.
- Conducted data driven prospecting by utilizing B2B databases to target high-potential prospects and achieved conversion rates of 1-2 new clients per month.
- Handled various financial transactions including 1035 exchanges, retirement plan rollovers, and transfer of assets to beneficiaries in legacy planning scenarios.

Wells Fargo **Livermore, CA**
Bank Teller *July 2018-October 2018*

- Processed client financial transactions for money orders, cashier's checks, deposits, and withdrawals.
- Identified opportunities to refer clients to our financial advisory services based on the data within their accounts and the nature of the interaction.
- Educated clients on digital banking tools and services to enhance their understanding and improve overall client experience.
