Professional Experience / Research

Drop2Drop — June 2025 – August 2025
Accounting Intern — *San Jose, CA*

- Managed financial documentation for 20+ tech clients, including AWS, Tencent, Coupang, and XPeng.
- Improved financial reporting accuracy and speed, assisting accountants with receipt and invoice verification.
- Improved financial processes that supported client growth, helping the company increase revenue from $800K to $1M/month; earned a post-graduation return offer.

Opufy — June 2025 - Present
Founder, CEO

- Founded a digital platform for classical music, currently leading a team of Harvard and UC Berkeley students.
- Directed product strategy and user experience improvements, leveraging React, TypeScript, and Supabase.
- Grew a classical music social media page reach to 1M views and 300K likes in the first week.
- Currently expanding the platform with Duolingo-style gamified music education and theory features.

Elliot's Classes, Websites — July 2022 - Present
Founder, CEO

- Founded a tutoring business teaching Math, English, and Coding to 10+ elementary to high school students.
- Founded an affordable web development service, delivering 3+ customized websites for nonprofits and small businesses in the Los Angeles and Atlanta area.

SoDavi NPO — June 2023 – July 2023
Researcher — *Los Angeles, CA*

- Worked with a USC Professor and three members to create a data project using Python and the 2021 Adult Census data to examine the impact of Race, Marital Status, and Education Level on Income.
- Research published in the Korean Daily Newspaper, sharing insights with local and international audiences.
- Awarded SoDavi Data Science President Award for research contributions.

Leadership / Community Involvement

Asian American Association (AAA) — January 2025 – Present
Finance President — *UC Berkeley*

- Managing financial operations for UC Berkeley's largest social club, overseeing the club's whole budget.
- Coordinating event planning, budgeting, and securing sponsorships from local businesses to major corporations.
- Leading fundraisers to support cultural and social events for 100+ members and the larger Berkeley community.

Berkeley Engineers and Mentors (BEAM) — January 2025 – Present
Mentor — *UC Berkeley*

- Developing and delivering STEM lessons to 500+ under-resourced elementary students across 12 schools.
- Leading hands-on projects fostering critical thinking and problem-solving skills in science and engineering.
