EDUCATION

UNIVERSITY OF CALIFORNIA, BERKELEY: College of Engineering — Expected Graduation May 2028
Bachelor of Science in Industrial Engineering & Operations Research — GPA: 3.7/4.0
Double Major in Economics; Relevant Courses: Linear Alg, Intro to CS, Foundations of DS, Design Methods, Engin Econ

WALTER PANAS HIGH SCHOOL, NY: Salutatorian — Sept 2021 – June 2025
Columbia Science Honors Program; 16 APs (Earned 61.40/120 IEOR Major Credits); — GPA: 101.80/100 (4.87/4.00)
Relevant Courses: AP Macro (5), AP Calc BC (5), AP CSP (5), AP Stats (5); AP Distinguished Scholar — ACT: 35

EXPERIENCES

Oakland Roots SC X SAGB: Berkeley, CA — Sept 2025 – Present
Data Analyst

- Analyzed market/ticket datasets of ~20,000+ fans, built aggregated engagement scoring system, and evaluated 5+ region-based ROIs in the Bay Area for investment to increase overall fan engagement and ticket sales; Delivered to exec leadership at Oakland Roots HQ. (Project @ SAGB)
- Consultant for Sports Analytics Group Berkeley (SAGB) Business Branch; Social Committee: Coordinating inclusive social events and retreats to strengthen community and cross-branch connections within the club.

Regeneron X Cold Spring Harbor Laboratory: Sleepy Hollow, NY — June 2025 – Aug 2025
Regeneron DNALC Intern (Paid, ~8 percent acceptance rate)

- Performed 20+ molecular biology experiments weekly including PCR amplification, *C. elegans* development studies, plasmid transformation, and restriction enzyme digestion with gel electrophoresis.
- Formulated and maintained laboratory reagents to ensure smooth course operations; Guided 40+ students in proper lab conduct, safety compliance, and foundational experimental procedures.

IBM RESEARCH: Yorktown Heights, NY — Nov 2022 – June 2025
Student Researcher

- Selected @ Center for Excellence in Youth Program for College/High Schoolers (2022 - 2023); Mentorship under Dr. Pradip Bose, Distinguished Research Staff Member.
- Patent Pending, USPTO, "SprAIndetection: A Novel Urgent Care Process for Near Real-Time Diagnosis of Sports Injuries"
- Founder of SprAIndetection (LLC): Developing a novel app that can detect musculoskeletal injuries in near real-time using MRI scans from portable MRI machines; Awarded @ Regeneron WESEF.
- Presented "Diagnosis of Sports Injuries: A Hardware-Optimized Deep Learning Solution" (solo author) at 7th Workshop on Cognitive Architectures in conjunction with ISCA (International Symposium of Computer Architecture), Orlando, FL, Jun 2023.

LEADERSHIP

STREET CHILDREN INTERNATIONAL 501(C)(3): Long Island, NY — July 2024 – Present
Secretary, Committee Member-At-Large

- Oversee ~$84k in net assets with ~$25k annual turnover, drive efficient capital allocation to support children in poor educational settings.
- Independently raised $4k+; Organize fundraising events/meetings, catalyze approval of educational grants for 10+ schools across US and India.

WS JEUNG'S TAE KWON DO: Yorktown Heights, NY — Jan 2023 – Aug 2025
Assistant Instructor

- Led and assisted classes on a weekly basis for 300+ students across several ranks. Taught a variety of techniques, including warm-ups, greetings, curriculum (forms, self-defense), sparring, etc. (PVSA: Gold Recipient)

LAKELAND CSD BOARD OF EDUCATION: Cortlandt Manor, NY — Sept 2024 – June 2025
Student Representative (1 of 2)

- Represented 1000+ students as the official liaison between the student body and the Board of Education, voicing concerns and contributing to district-wide policy discussions monthly; Selected District Youth Council Member.

DESTINATION IMAGINATION: Westchester County, NY — Sept 2015 – May 2023
Team Captain

- Led team to Global Finals 8 years consecutively (Qualified through regional and state competitions (Finals attended by 1000+ teams, Kansas City, MO); 2x Top 10 finish @ GF: 8th Place (2023), 2nd Place (2021).
- Applied engineering design principles to construct and optimize mechanical structures (15+ ft roller coasters, 12g balsa wood structures withstanding 950+ lbs, etc.); integrating physics and critical problem-solving skills.

SKILLS, CERTIFICATIONS, AND INTERESTS

- UPenn Wharton: Business Analytics Specialization (Coursera); Customers, Operations, People, Accounting Analytics, and Capstone
- Skills: Data analysis (Excel, Matplotlib), Marketing strategy, Leadership, Software programming (Python, Java, Pandas, MATLAB), Public communication, Collaboration, Foundership, Computational research; Rebuttal synthesis, Policy research (via 95th Assembly District Office Internship); Community outreach (via Chief Editorship of LBA Pathshala Khobor)
- Interests: Soccer (4 Yr Varsity Starter, National Finalist), TKD (2nd Degree Black Belt), Tennis, Music, Entrepreneurship, Investment
- Languages: English (Native Proficiency), Spanish (NYS Seal of Biliteracy), Bengali (Limited Proficiency)
