EDUCATION

University of California - Berkeley **May 2028**
Bachelor's, Economics & Data Science *GPA: 3.85*

PROFESSIONAL EXPERIENCE

Google **Remote**
Contract Consultant *August 2025 - Present*
- Analyzed customer onboarding data and GCP usage patterns to identify friction points in activation, leveraging cloud infrastructure metrics (IAM setup, API enablement, billing configuration) to optimize for a streamlined onboarding flow.
- Partnered with a 12-member BSB consulting team to synthesize 40+ pages of research into a 4-stage PLG framework integrating agentic AI workflows into Google Cloud, established 6 lifecycle KPIs around activation, credit utilization, and churn rates

FARO **San Jose, CA, USA**
Management Intern *June 2025 - August 2025*
- Conducted competitor research on reusable consumer goods, surveying 150+ customers and benchmarking 7+ collapsible cup products; delivered insights that shaped sustainability branding strategy projected to increase market penetration by 20%.
- Compiled and presented 6 weekly performance reports with sales data, customer feedback, and sustainability metrics, providing leadership with actionable insights that influenced 2 upcoming product launches and expansion into 3 new retail markets.

Berkeley College **Berkeley, CA, USA**
Undergraduate Research Apprenticeship Program (URAP) *September 2024 - May 2025*
- Designed and executed a behavioral economics experiment with 231 undergraduate participants, achieving a 92% survey completion rate and ensuring robust, statistically valid research results under the supervision of Haas Professor Clayton Critcher.
- Built and tested a multiple regression model with 6 independent variables , revealing a significant relationship between moral code and moral evaluation ($p < 0.001$), contributing to faculty research slated for submission to a peer-reviewed journal.

EY **Irvine, CA, USA**
Business Analyst Intern *June 2024 - August 2024*
- Spearheaded a sustainable agriculture consulting project for a Fortune 500 client in a fast paced environment to deliver research-driven recommendations projected to increase crop yields by 20% and reduce soil depletion rates by 10%
- Contributed to 15 audit engagements with clients generating $100M+ in combined revenue, preparing detailed audit documentation, cross-checking regulatory compliance, and achieving an average client satisfaction score of 4.5/5

PROJECTS & OUTSIDE EXPERIENCE

Salesforce **Remote**
Student Project Assistant *June 2023 - Present*
- Conducted 50+ personalized onboarding sessions for 200+ nonprofit organizations, introducing CRM features through training modules that improved staff confidence, streamlined implementation, and collectively saved 25+ hours of setup time per week.
- Cold-emailed and followed up with 3,000+ nonprofit executives across 10+ U.S. states, driving a 22% increase in site traffic and resulting in 350+ new organizations adopting Salesforce's "Power of Us" program, expanding market share in the nonprofit area

DECA **California, USA**
California State Vice-President *March 2023 - May 2024*
- Developed a 2-month statewide election campaign with a 6-person team, deploying digital ads, social media outreach, and in-person events that secured 4,200+ votes (a 75% winning majority) and achieved the highest voter turnout in the past 5 years.
- Directed training and development for 5,000+ California DECA members through 10+ workshops, 20+ competitions, and 30+ online modules; presented initiatives on an international stage before 25,000+ delegates across 50 states and 10+ countries
